STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit "G" for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHT YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION OR LITIGATION ONLY IN BRITISH COLUMBIA, CANADA. ARBITRATION OR LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE OR LITIGATE WITH US IN BRITISH COLUMBIA THAN IN YOUR HOME STATE.
2. THE FRANCHISE AGREEMENT STATES THAT BRITISH COLUMBIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

ITEM 1 THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

This Disclosure Document describes TapSnap™ Franchises. To simplify the language in this Disclosure Document, “we,” “us,” or “our,” means TapSnap Ventures, Inc., the franchisor. “You,” “your,” or “Franchisee” means the purchaser of a franchise. If the purchaser of a franchise is a partnership, corporation, limited liability company, or any other type of entity (collectively, an “Entity”), “you” means both the purchaser and its partners, shareholders, members, or other equity owners.

TapSnap Ventures, Inc. is a British Columbia corporation that was organized on June 11, 2012. TapSnap Ventures, Inc. does business under the names TapSnap™, TapSnap™ Kiosks, and TapSnap™. TapSnap Ventures’ principal place of business address is 140-890 Harbourside Drive, North Vancouver, British Columbia V7P 3T7 Canada. To the extent that we have designated agents for service of process in other states, they are listed in **Exhibit G**. We do not operate businesses similar to the franchises being offered in this Disclosure Document. We began offering TapSnap™ franchises in December 2012, and have never offered any other franchises in any other line of business.

The TapSnap™ Franchise

We are offering, under the terms of this Disclosure Document, the opportunity to become a franchisee to develop and operate a TapSnap™ franchise. TapSnap™ franchises sell our unique digital photo entertainment kiosk services, to be used at events, such as weddings, conventions, reunions, and other types of social gatherings, using proprietary technology (the “Services”), as well as other ancillary and related merchandise (the “Products”). TapSnap™ franchises operate under the Marks “TapSnap™” and certain other trademarks, service marks, trade names, logos, trade dress, emblems, and indicia of origin (collectively, the “Marks”). We may designate other trade names, service Marks, and trademarks as Marks. TapSnap™ franchises may be located or operated from your home or any small office.

TapSnap™ franchises operate under a prescribed system of specifications and operating procedures that we and our affiliates have developed and will continue to develop (the “System”). The distinguishing characteristics of the System include, but are not limited to, our colors, packaging and presentation and identification schemes (collectively, the “Trade Dress”); our proprietary operations manuals (the “Manuals”); our specifications for equipment, materials and methods; our software and computer programs; and the accumulated experience reflected in our training program, operating procedures, customer service standards, methods, and marketing techniques. We change, improve, add to, and further develop the elements of the System from time to time. We describe our mandatory and suggested specifications and procedures in our Manuals.

Market and Competition

TapSnap™, the name we have given our digital photo entertainment platform. TapSnap™ began as a modern update to the traditional photo booth concept, which remains the most widely known component of our system. Rather than force users to sit inside of a booth, TapSnap™ takes photos of users standing 10-15 feet in front of the unit, allowing for group shots of any size and for the subjects to pose in a variety of positions. Photos are

displayed on a large multi-touch screen where users are encouraged to draw or write on the images with their finger. Unlike a traditional photo booth that is limited to taking pictures and printing photos, TapSnap™ takes photos then allows those photos to be shared over social networks, through email and as a physical print. In addition to the TapSnap™ kiosk, we provide a full suite of complementary products and services, including our SnapCast social media wall that enables TapSnap™ photos, social media pictures or posts to be displayed on Internet connected screens, our iPad Sharing Station that serves as a dedicated device for the sharing of event photos, and our Social Photographer service that allows us to offer mobile photography services at special events utilizing a digital camera that runs our proprietary software. Photos from the Social Photography service sync in real-time to the TapSnap™ kiosks, iPad Sharing Stations, and the SnapCast social media wall.

TapSnap Ventures, Inc. is operated by the same management team as DVDNow Kiosks, Inc. (“DVDNow”). Founded in 2006 and with over 3,000 units deployed, DVDNow has grown to be the largest independently operated network of DVD kiosks in the world.

TapSnap™ is a system that is rented to provide entertainment and marketing services at an event or social gathering. The two largest categories of suitable events are weddings and corporate events. There are approximately 2.1 million weddings per year in the United States resulting in approximately \$54 billion in revenue related to all aspects of those weddings. There are over 1.8 million meetings and conventions in the United States each year. Annual spending on meetings and conventions is approximately \$109 billion. In addition to weddings and corporate events, TapSnap™ may also be rented for birthday parties, grand openings, bar/bat mitzvahs, school functions, brand activations, trade shows, conferences, marketing events, sports events, and other types of social gatherings.

The competition for TapSnap™ is primarily the traditional photo booth, and in a broader sense, event entertainment and photography services generally.

Industry-Specific Regulations

There are no laws or regulations that are specific to the sale of digital photo services and merchandise featuring digital photos. However, you will have to comply with laws and regulations that are applicable to business generally (such as workers’ compensation, OSHA, and Americans with Disabilities Act requirements). Federal, state and local governmental laws, ordinances and regulations periodically change. It will be your responsibility to ascertain and comply with all federal, state and local governmental requirements. We do not assume any responsibility for advising you on these regulatory matters. You should consult with your attorney about laws and regulations that may affect your Business.

Parents and Affiliates

We are an affiliate of DVDNow Kiosks, Inc., a British Columbia Corporation, through common ownership. DVDNow was established by our founder to sell and continues to sell movie rental kiosks. DVDNow was established in British Columbia, Canada on June 22, 2006 and has conducted its movie rental kiosk sales business since that time. DVDNow does not offer and has not offered franchises in any line of business.

Except as described above, we have no parents, predecessors, or affiliates required to be included in this Item.

The initial fees (“**Equipment Purchase Fee**,” “**Initial Launch Advertising**,” and “**Initial Franchise Fee**”) for your first franchise vary from \$42,895 to \$94,880 USD, depending upon the number of TapSnap™ kiosks purchased, and the size of your Market Area, and are due upon execution of the Franchise Agreement. The Initial Franchise Fee is \$17,500 USD plus \$2,500 per 100,000 (or fraction thereof) population in excess of 500,000 and will be used by us to pay training expenses, commissions, cover marketing and overhead costs and profits to us. The Initial Franchise Fee is \$17,500 for most Market Areas of up to 500,000 population; for Market Areas with population of 500,000 or more, it is \$17,500, plus \$2,500 per 100,000 population or fraction thereof. The Equipment Purchase Fee will range from \$21,895 USD to \$74,880 USD, depending upon the number of TapSnap™ Systems you purchase. While you may choose to purchase additional TapSnap™ Systems beyond what we require, we will require that you purchase a second TapSnap™ if your Market Area has a population in excess of 500,000 people (and in some cases under 500,000 people), and purchase a third TapSnap™ if your Market Area has a population in excess of 1,000,000 people. The Equipment Purchase Fee includes an iPad Sharing Station (for your first TapSnap™ kiosk only), Canon Flash, Printer Supplies, Logitech Keyboard with Touch Pad, Green Screen accessories, clothing and carrying cases you will need. If you already own a franchise and are entering into a Franchise Agreement for an additional franchise, the Equipment Purchase Fee that you must pay us for each additional franchise will vary depending upon the amount of additional equipment that you purchase. Except as described below, we have no obligation to refund the Initial Franchise Fee or Equipment Purchase Fee, in whole or in part, for any reason. In addition, we charge Shipping and Handling fees the amount of which will depend on the amount of your initial equipment purchase. Shipping and Handling fees will range between \$650 and \$2,600 USD. Please refer to Exhibit A to Franchise Agreement, which is Exhibit A to this disclosure document.

The Initial Launch Advertising is a minimum amount of \$2,500 (you may choose to spend more) payable to us. We will use these funds to assist you and manage your grand opening marketing—the funds will then be paid out by us to third parties and retained in part by us to cover the cost of services that we provide for you.

We do not offer financing for the Equipment Purchase Fee, the Initial Franchise Fee, or the Initial Launch Advertising.

1. This estimate is for the cost of a deposit necessary to obtain insurance. You will need to check with your insurance carrier for actual premium quotes and costs, as well as for the actual amount of the deposit. The cost of coverage will vary based upon the area in which your business will be located, your experience with the insurance carrier, the loss experience of the carrier, the amount of deductibles and of coverage, and other factors beyond our control. You should also check with your insurance agent or broker regarding any additional insurance that you may wish to carry above our required minimums.
2. This estimate is for the cost of engaging an attorney, accountant, or other business advisors to assist you in reviewing this Disclosure Document, the Franchise Agreement, your business plan, and any other contracts that you enter related to this Franchise. We strongly recommend that you seek the assistance of professional advisors when evaluating this Franchise opportunity. The estimates represented in this chart are based on professional fees in the State of Georgia. You may experience different rates for professional fees in your market. It is best to ask your professional advisors for their fee schedule prior to engaging them to perform any services on your behalf.
3. This estimate includes the cost of licenses and permits and utility deposits necessary to open your business. You are responsible for maintaining all required licenses and permits necessary to operate your business. You should check with local authorities, an attorney, or a business consultant to determine what licenses and permits are necessary at your location.
4. We require that you engage in certain start-up or grand opening activities to promote your business. This might include local and internet advertising, joining and attending local networking organizations and events, sponsorships and the like. We will agree on a budgeted amount to be spent on this in Exhibit A to the Franchise Agreement, but the minimum you must spend is \$2,500 and that amount is paid to us upon signing the Franchise Agreement. We will use these funds to assist you and manage your grand opening marketing.
5. This is an estimate of the amount of additional operating capital that you may need during the first three months after opening your business. This estimate includes additional funds you may need to pay employee salaries and wages, payroll taxes, utilities, such items as payroll taxes (including payroll to cover the pre-opening training period for your staff), legal and accounting fees, additional advertising, health and workers' compensation insurance, bank charges, miscellaneous supplies and equipment, staff recruiting expenses, state tax and license fees, deposits, prepaid expenses, and other miscellaneous items. The preceding list is by no means conclusive of the extent of possible categories of expenses. The expenses you incur during the start-up period will depend on factors such as local economic and market conditions, your business experience, and the level of merchandise sales at events where your TapSnap™ is utilized. We also have not included the cost of purchasing or leasing a vehicle large enough to transport your TapSnap™ because you may already own or lease an SUV, station wagon, mini-van or similar vehicle. We cannot guarantee that you will not incur additional expenses in starting the business that may exceed this estimate or that you will not need additional funds after your first three months of operation. It is best to contact your accountant or financial advisor for further guidance.

6. This estimate is for the cost of attending initial training at our corporate offices in North Vancouver, British Columbia. We provide instructors, facilities, and materials for the initial training program at no charge. You are responsible for the travel expenses, living expenses, wages, and other expenses incurred by you or your trainees during initial training. The actual cost will depend on your point of origin, method of travel, class of accommodations, and dining choices, as well as the U.S./Canadian Dollar exchange rates.
7. There are monthly fees payable to us or SmugMug and which are necessary to the operation of your business on a day-to-day basis. The Administrative Software Suite fee is \$90/month/user. Additional Administrative Access Accounts are \$15/user/month. SmugMug Power account is \$60 per year. Snap and Snapbook software operates your kiosk and is \$40.00 per month per TapSnap™.
8. This total amount is based upon our market research and experience. Your costs may vary based on a number of factors including, but not limited to, the geographic area in which you open, local market conditions, and your skills at operating a business. We strongly recommend that you use these categories and estimates as a guide to develop your own business plan and budget and investigate specific costs in your area. You should independently investigate the costs of opening a franchised business in the geographic area in which you intend to operate. You should also review the figures carefully with a business advisor before making any decision to purchase the Franchise. We do not provide financing to franchisees either directly or indirectly in connection with their initial investment requirements. The availability and terms of financing obtained from third parties will depend upon such factors as the availability of financing, your credit worthiness, collateral which you may make available, or policies of local lending institutions with respect to the nature of the business.

Note: None of the costs shown in this Item are typically refundable. These costs are based upon our experience in providing equipment and services to our existing franchises in the United States.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as set forth below, you are not required to purchase or lease goods, services, supplies, fixtures, equipment, inventory, computer hardware or software, real estate, or comparable items related to establishing or operating the Franchise from us, our designees, suppliers, or service providers we approve, or under our specifications.

Authorized Products and Services. We are the sole supplier for the TapSnap™ kiosks. We may elect to sell you affiliated merchandise directly, through an affiliate or subsidiary entity, or require you to purchase it through an approved vendor. An integral part of your franchised business is the use of our TapSnap™ kiosks at parties and special events. You may not duplicate our Marks or use the TapSnap™ name or trade dress without our authority on any other display or equipment. You may offer the use of your TapSnap™ kiosks at weddings, corporate functions, social gatherings, festivals, events and similar places. You may sell merchandise (“products”) only in the varieties, forms, and packages that we have approved. We do currently offer and provide affiliated merchandise which includes logoed items such as

sports shirts, hats and caps, coolers, folding chairs and the like. If we revoke approval of a previously-approved product that you have been selling, you may continue to sell the product only from your existing inventory for up to 90 days following our disapproval. We have the right to shorten this period if, in our opinion, the continued sale of the product would prove detrimental to our reputation.

We have the right to require that products, supplies, equipment, and services that you purchase for resale or use in your business: **(i)** meet specifications that we establish from time to time; and/or **(ii)** be purchased only from suppliers or service providers that we have expressly approved; and/or **(iii)** be purchased only from a single source that we designate (which may include us or our affiliates or a buying cooperative organized by us or our affiliates). We can impose purchasing restrictions for any reason, but the most likely purposes would be to control the quality and consistency of the merchandise and to facilitate volume-discount pricing arrangements.

We or our other affiliates currently are approved suppliers only of the TapSnap™ kiosks and software, and act as source for certain administrative and other software, but we reserve the right to require you to purchase items from us in the future. Our officers may own any interest in any supplier with whom you are required or recommended to do business.

We do not provide any material benefits to franchisees (for example, renewal or granting additional franchises) based upon their purchase of particular products or services or use of particular suppliers.

To the extent that we establish specifications, require approval of suppliers or service providers, or designate specific suppliers or service providers for particular items or services, we will publish our requirements in the Manuals. We may, at any time, in our discretion, change, delete, or add to any of our specifications or quality standards. Such modifications, however, will generally be uniform for all franchisees. We estimate that 95% or more of your purchases and leases in establishing the Franchise and approximately 95% or more of your total purchases and leases in operating the Franchise will be subject to the restrictions described above.

Approval Process. If you would like to offer products or use any supplies, equipment, or services that we have not approved or to purchase from a supplier or service provider that we have not approved, you must submit a written request for approval and provide us with any information that we request. We have the right to inspect the proposed supplier's facilities and test samples of the proposed products and to evaluate the proposed service provider and the proposed service offerings. You agree to pay us a charge not to exceed the reasonable cost of the inspection and our actual cost of testing the proposed product or evaluating the proposed service or service provider, including personnel and travel costs, whether or not the item, service, supplier, or service provider is approved. We have the right to grant, deny, or revoke approval of products, services, suppliers, or service providers based solely on our judgment. We will notify you in writing of our decision as soon as practicable following our evaluation. If you do not receive our approval within 90 days after submitting all of the information that we request, our failure to respond will be deemed a disapproval of the request. We reserve the right to reinspect the facilities and products of any approved supplier and to reevaluate the services provided by any service provider and to revoke approval upon the supplier or service provider's failure to meet any of our then-current criteria. If you receive a notice of revocation of approval, you agree to cease purchasing products or services from the disapproved supplier or service provider and, in the case of revocation based on failure of products to meet our

standards, you agree to dispose of your remaining inventory of the disapproved supplier's products as we direct. Given the nature of the franchise, being focused on the sale of the TapSnap™ services, it is very possible that a request to sell other products or services may be denied by Franchisor.

Insurance. Currently we require that you maintain in force **(i)** public liability insurance in the amount of \$1,000,000 per occurrence and **(ii)** general casualty insurance covering the full replacement cost of the Business and inventory. However, you may be required to acquire additional insurance by the laws in your area. The insurance policy or policies protects you, us, and our respective, past, present, and future officers, directors, owners, managers, employees, consultants, attorneys, and agents against any loss, liability, personal injury, death, property damage or expense whatsoever arising or occurring upon or in connection with the condition, operation, use, or occupancy of the business. We may recommend, but not require additional types of coverage or that you increase the required minimum amount of coverage upon reasonable notice.

Computer System. You are not required to purchase a computer system that we specify. The computer system hardware may be purchased from any supplier, so long as it meets system standards, so long as it will run our proprietary software and is capable of accessing the Internet and is reliable. The computer system is described in detail in Item 11.

Accounting and Legal Services. We do not require you to engage an approved accountant or attorney to provide services for your Franchise.

Revenue from Purchases. We and our affiliates will derive revenue or other material consideration from any of your required purchases of equipment, products, and supplies, and we and our affiliates reserve the right to do so in the future. Revenues will include equipment purchases, starter kits, shipping costs, and Call Center fees derived from gross event fees charged to your customers along with monthly software fees for CRM, email hosting and communications platform and other software. We may retain any rebates or other payments we receive from suppliers. As of the issuance date of this Disclosure Document, neither we nor our affiliates have received any rebates or other payments from suppliers. Our total revenues for the fiscal year and June 30, 2015 total \$3,087,033.00 USD. Out of this amount required equipment purchases, shipping costs, Call Center Fees and software/CRM fees totaled \$1,645,055.00 USD, or 53% of our revenues during that period.

Cooperatives and Purchase Arrangements. We are not involved in any purchasing or distribution cooperatives. We may, but are not obligated to, negotiate purchase arrangements with suppliers for the benefit of franchisees. As of the issuance date of this Disclosure Document, we have not negotiated any such arrangements.

Material Benefits. We do not provide material benefits (for example, renewal or granting additional franchises) to a franchisee based on a franchisee's purchase of particular products or services or use of particular suppliers.

ITEM10 FINANCING

We and our affiliates do not offer direct or indirect financing arrangements for any purpose in establishing your Franchise. We may offer expansion financing in the future, but do not currently do so.

We and our affiliates do not guarantee your promissory note, lease, or any other obligation you may make to others. We and our affiliates have no practice or intent to sell, assign or discount to a third party all or part of any financing arrangement. We do reserve the right to sell your Note or financing arrangement as part of a general sale of all or nearly all of our assets (a business sale) to a third party. We and our affiliates do not receive any consideration for placing financing with any lender.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance. There is no specified date or period of time by which we must complete our obligations stated below.

Our Pre-Opening Obligations

Before you begin operating your Business:

1. **Initial Training.** We will provide initial training in the System and our policies and procedures to you (or your Designated Principal, if you are an Entity), your initial manager of the Business (the "General Manager"), and any other employees that we designate. See "Training", below in this Item. (Franchise Agreement – Sections 3.2 and 6.1)
2. **Advertising.** We will create, prepare, and make available to you without charge a welcome advertising kit in connection with the opening of the Business, and advertising materials used in connection with the Marks. You will give us no less than \$2,500 for Initial Launch Advertising, and we will use those funds to establish and administer your Google Adwords account for 3 months, community outreach and other launch advertising on your behalf. We will guide you in any start-up marketing, including placement of local and internet advertising, joining and attending local networking organizations and events, sponsorships and budgeting for these items. Additional advertising materials can be purchased from us and/or furnished by you utilizing graphics and designs provided by us. We will run national and regional advertising in support of our franchisees' efforts to secure bookings. We will staff an in-house call center to field requests from those interested in renting a TapSnap™ for their upcoming event. Software will suggest who the logical franchisee is to service an upcoming event based on Market Area, availability and proximity to the event. (Franchise Agreement – Section 3.9)
3. **Manuals.** We will furnish you with one copy of, or electronic access to, our Manuals, on loan for as long as this Agreement or a successor franchise agreement remains in effect. We reserve the right to furnish all or part of the Manuals to you in electronic form and to establish terms of use for access to any restricted portion of our Website. The Manuals consists of approximately 147 pages. (Franchise Agreement - Sections 10.1 and 10.4)

We estimate that the typical length of time between signing a Franchise Agreement and opening your business is approximately one month. Factors affecting this length of time include, among others: hiring of the requisite employees; successful completion of initial training; local ordinances or community requirements; delivery of equipment and product; the availability of inventory; issuance of all necessary licenses, permits and approvals; and procuring recommended insurance. You must begin operating your business within ninety (90) days of signing a Franchise Agreement.

Ongoing Assistance

During the operation of your Franchise:

1. Additional Training. We may periodically conduct additional or advanced training programs for you, your Designated Principal, your General Manager, and/or your employees at our office or another location that we designate, in person, via teleconference, via the Internet, or by any other means, as we determine. Your franchise includes lifetime telephone coaching via telephone and e-mail. (Franchise Agreement – Sections 3.5 and 6.1)
2. Advertising. We may from time to time formulate, develop, produce, and conduct, at our sole discretion, advertising or promotional programs in such form and media as we determine to be most effective. We will run local, regional and national advertising campaigns in print and internet versions of leading bridal and event publications. We may make available for you to purchase without charge or at a reasonable cost approved advertising and promotional materials, including signs, posters, collaterals, etc. that we have prepared. Advertising may be sourced by us internally or through outside agencies. We are not required to expense any amount on advertising in any given geographic area, including yours. (Franchise Agreement - Sections 12.1 and 12.2)
3. Requested Consulting Services. We will provide to you additional consulting services with respect to the operation of the Business upon your reasonable request and subject to the availability of our personnel at a mutually convenient time. We will make available to you information about new developments, techniques, and improvements in the areas of merchandising, advertising, management, operations, and Business design. We may provide such additional consulting services through the distribution of printed or filmed material, an Intranet or other electronic forum, meetings or seminars, teleconferences, or in person. If such services are rendered in person, you must pay us a fee and our expenses. (Franchise Agreement – Sections 3.5 and 6.13)
4. Manuals Updates. We may amend, modify, or supplement the Manuals at any time, so long as such amendments, modifications, or supplements will, in our good faith opinion, benefit us and our existing and future franchisees or will otherwise improve the System. You must comply with revised standards and procedures after we transmit the updates. (Franchise Agreement - Sections 10.1 and 10.4)
5. Inspections. We may inspect the operation, premises and inventory of the Business periodically and advise you of the results of each such inspection. (Franchise Agreement - Section 3.6)

Advertising

General. We do not allow advertising other than that which we have created. Our materials are effective, and we don't want you spending time looking to change them. You must conduct all advertising in a dignified manner and to conform to the standards and requirements we specify in the Manuals. We will have the final decision on all creative development of advertising and promotional messages. We reserve the right to require you to discontinue the use of any advertising or marketing materials.

We may from time to time formulate, develop, produce, and conduct, at our sole discretion, advertising or promotional programs in such form and media as we determine to be most effective. We may make available to you without charge or for you to purchase at a reasonable cost approved advertising and promotional materials, including signs, posters, collaterals, etc. that we have prepared.

In order to build brand awareness, we plan to attend tradeshow, host promotional events or displays, and manage multiple websites that promote TapSnap™'s rental.

We may use as forms of advertising direct mail, print, radio, Internet, or television, which may be local, regional, or national in scope. We may produce the marketing materials in-house or employ a local, regional, or national advertising agency. We are not obligated to conduct any advertising or marketing programs within your market.

Local Marketing. You should use your best efforts to promote the use of the Marks in your market area, but the amounts you expend are up to you.

Branding Fund. We have established a Branding Fund to which you will contribute three (3%) percent of all Event Fees paid to us when each event is booked. All franchisees shall contribute to the Branding Fund, which will be administered by us. The fund will not be audited, but you will be provided annual financial statements upon your request. In the most recently concluded fiscal year we collected \$123,537.00 (USD) which were used for Website Development (\$6,337.00 or 5%) Online Marketing (\$55,796.00 or 44%) PR (\$12,515.00, or 10%) Tradeshow (\$30,429.00, or 24%) and Product Placement (\$21,000 or 17%). In addition to the funds collected, we have lent funds to the Branding Fund and anticipate repayment out of future Fund receipts. We may lend sums to the Fund in the future.

All franchisees must contribute to the Fund, at the same percentage rate, as will any outlets that we own.

We administer the Fund. It is not audited, but annual financial statements of the Fund are available for review by you, upon your request.

We will not use funds principally to solicit new franchise sales, but may state that franchises are available in materials and advertising. If not all funds are spent in the fiscal year in which they accrue, they may be used the following year.

Websites. You are not authorized to have a website for your Business unless we otherwise agree in writing. We may forward inquiries received through our website to you if the inquiring party is located near you. You are not authorized to offer any products for sale through any e-commerce site or online retailer, nor may you offer your franchise, TapSnap™ kiosks or Products for sale through any online auction or resale site.

Advertising Cooperatives. We currently do not have any advertising cooperatives and have no plans to form such cooperatives in the immediate future.

Advertising Councils. We currently have no advertising council composed of franchisees to advise us on our advertising policies. We may decide to implement an advertising council in the future.

Corporate Accounts. Corporate Accounts are primarily organizations or companies that have operations or the potential for events in multiple markets in the United States. These Corporate Accounts may be generated by any franchisee (the "Referring Franchisee") or by our internal Corporate Account sales representative by cold calling, attending trade shows or any other means. Franchisees are required to refer all potential Corporate Accounts to us for handling and servicing.

If an event in your Market Area is originated from a Corporate Account, you may be offered the opportunity to service that event at a price we will negotiate with the Corporate Account, less sales commissions to the Referring Franchisee and/or internal sales representative and normal Call Center, Branding, and Royalty Fees, and/or a predetermined flat fee. You may accept or decline to service the event if it is offered to you.

Computer System and Electronic Cash Registers

We may require you to use proprietary software or to purchase certain software from a designated vendor. We do not require you to purchase any computer system, but we recommend that you do so and that your computer system currently must be capable of accessing the Internet, sending and receiving email and other basic functions with sufficient capacity to meet your business' needs.

We believe a basic laptop, costing around \$500, should be sufficient. We have no obligation (nor does any affiliate or third party) to provide ongoing maintenance, repairs, upgrades or updates. You have no obligation to update or upgrade your computer. There is no annual fixed cost of required maintenance, updating, upgrading, or support. We will not have independent access to the information stored in your computer system. You may use an existing computer meeting these requirements.

Manual

The Table of Contents of the Manuals is attached as **Exhibit F** to this Disclosure Document. The manual consists of a total of 147 pages.

Training

You or your Designated Principal, as applicable, and your General Manager(s) must obtain our management certification by attending and satisfactorily completing our initial training program before you open your business. Provided that space is available, you may bring other representatives to the training session at a charge of \$750/person, but we reserve the right to limit attendance to two of your representatives in any one session. Only individuals that are expected to play an ongoing role in the operation of your business will be permitted to participate in training.

We will provide initial training at our offices, currently in N. Vancouver, B.C., or from any other location that we designate. We will provide instructors and materials for the initial training

program at no charge for you, your Designated Principal or General Manager. You are responsible for any travel and living expenses, wages, and other expenses incurred by your trainees.

The initial training program will be provided as soon as practicable after you sign your Franchise Agreement. The instructors for our initial and later training program have experience working with sales. Most of the training is conducted by Mary Smith, our Franchise Support and Training Manager. Smith has been with our affiliate, DVDNow and has been involved in development of TapSnap™ from inception. Mary Smith, Dale Gercken, Bruce Meli, Sky Caldwell, Dawn Kirby, Oz Perez and Claire Nagle conduct most of the training, although other individuals may be involved in taking your calls to provide you with ongoing training and support. All have been training since TapSnap™'s first training class, held February 2013.

We may periodically conduct advanced training programs for you, your Designated Principal, your General Manager, and/or your employees at our office or another location that we designate. There will be no charge for training programs that we require you or your employees to attend, but we may charge you a reasonable fee for optional training programs. We may provide additional training in person, via teleconference, via the Internet, or by any other means, as we determine. During all training, you are responsible for any travel and living expenses, wages, and other expenses incurred by your trainees. We provide training without charge via telephone and internet during the term of your franchise and any renewal term.

We reserve the right to require any individuals that are playing an active role in the management of your business to successfully complete any initial or supplementary training programs.

There is no specified date or period of time by which we must complete our obligations stated in this Item 11.

ITEM 12 TERRITORY

Your TapSnap™ Franchise is not for a specific territory or location. In addition, you may face competition from other outlets that we own, from other channels of distribution or from us (with respect to Retail Accounts only). We do not have any plans to operate or franchise a business using the System under different Marks. Neither we, nor any affiliate, operates, franchises or plans to operate or franchise a business under a different trademarks to sell similar goods or services to those offered to you.

While we do not normally award any specific or minimum territory as part of your franchise, we will use our judgment and discretion in deciding how many TapSnap™ Franchises to award in a given geographic area, which we refer to as a "Market Area." Your Market Area will be specified in Exhibit A to the Franchise Agreement. Factors which we will consider in making this determination will include, but are not limited to, the number of convention/event/banquet facilities in the area, number of hotel rooms and amount of hotel revenue, number of event planners, whether the area is considered to be a destination market, geography and demographics of the market, and whether existing franchisees are fully servicing the existing or potential demand for TapSnap™ services. We reserve the right to add Franchisees in a given Market Area if the existing Franchisees are underperforming as measured by the performance of other Franchisees in similar marketing areas or other Franchisees who have been in business for a similar length of time or should we deem the Market Area to be underserved, in our discretion. We further reserve the right to sell a Market Area exclusively to one or more Franchisees, for additional consideration—in that case, we

might agree simply to not put additional franchisees in that Market Area if certain revenue goals were met by the franchisee.

Any events for Corporate Accounts which are in your Market Area and which we give you the opportunity to service will be at prices we negotiate with that account, less any commissions, Call Center Fees, Branding Fees, and Royalty Fees, and/or a standard flat hourly rate (see Manuals).

We also reserve the right to sell, lease or rent TapSnap™ kiosks to operate in or around cruise ships or cruise ship terminals, as well as public venues such as hotels, stadiums, amusement parks, shopping malls, tourist attractions or facilities or similar locations used by the public at specific events held in the public venue, even if located within your Market Area.

We may, at our discretion, and subject to a separate Exclusive Franchisee Rider, agree to provide an exclusive territory. The Franchise Fee for an Exclusive Territory is calculated based on a number of factors, which include, but are not limited to, the population of the area, the number of convention/event/banquet facilities in the area, and the number of weddings and similar events in the area.

Unless otherwise agreed to in writing, you will not receive an exclusive territory. Additionally, your right to market outside your Market Area is limited. You are allowed to market to customers outside your Market Area only to provide services at events to be held within your Market Area. You may provide services anywhere, but may not solicit or market to customers or potential customers outside your Market Area except to provide services within your Market Area. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We make reasonable efforts to have franchisees in a given Market Area service customers, provided you have and maintain sufficient capacity on an ongoing basis to meet emerging demand for TapSnap™ events, remain current with new products and services offered by TapSnap™, and are using your best efforts to promote TapSnap™ within your Market Area.

You do not have any rights of first refusal on any territory. You must obtain our consent before relocating the franchised business; we will not unreasonably withhold our consent.

ITEM 13 TRADEMARKS

The principal trademark that you will use as our franchisee is the TapSnap™ name and logo that appears on the front page of this Disclosure Document. We may also authorize you to use other Marks from time to time. You may only use in your Business the Marks we designate, and only in compliance with written rules that we prescribe from time to time.

The Marks are owned by a holding company, 0740246 B.C. LTD, owned by our CEO, Scott McInnes, and licensed to us under a license agreement which is royalty free, non-cancellable and of infinite duration.

0740246 B.C. LTD. has registered the following principal Marks with the United States Patent and Trademarks Office (“USPTO”) on the Principal Register. We intend to file all required affidavits and to renew the registrations for the Marks when they become due.

Marks	Serial Number	Registration Date
TAPSNAP	85648458	May 21, 2013
TAPSNAP with design	85648515	May 21, 2013
Instantly Social, Utterly Fun	85784965	December 3, 2013

If our right to use the trademarks is challenged, we may require you to change to an alternative trademark, which may increase your expenses. 0740246 B.C. LTD has licensed the use of the Marks to us, and we license the use to you.

There are no currently effective material determinations of the USPTO, Trademarks Trial and Appeal Board, the trademarks administrator of any state or any court involving the TapSnap™ Marks. We know of no pending infringement, opposition, or cancellation proceedings, or material litigation involving the TapSnap™ Marks. Other than as discussed in the above paragraph, we are aware of no superior rights or infringing uses that could materially affect the use of the Marks in any state.

You must notify us promptly of any unauthorized use of the Marks of which you have knowledge or of any challenge to the validity of our ownership of or our right to license others to use the Marks. We will take the action, if any, we believe to be appropriate. We have the right, but no obligation, to initiate, direct, and control any litigation or administrative proceeding relating to the Marks, including, but not limited to, any settlement. We will be entitled to retain any and all proceeds, damages, and other sums, including attorneys' fees, recovered or owed to us or our affiliates in connection with any such action. You must execute all documents and, render any other assistance we may deem necessary to any such proceeding or any effort to maintain the continued validity and enforceability of the Marks. We will defend you against any third-party claim, suit, or demand arising out of your use of the Marks. If we, in our sole discretion, determine that you have used the Marks in accordance with the Franchise Agreement, the cost of such defense and the cost of any judgment or settlement, will be borne by us. If we, in our sole discretion, determine that you have not used the Marks in accordance with the Franchise Agreement, those costs will be borne by you. In the event of any litigation relating to your use of the Marks, you will do such acts as may, in our opinion, be necessary to carry out such defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that such litigation is the result of your use of the Marks in a manner inconsistent with the terms of the Franchise Agreement, we agree to reimburse you for your out-of-pocket costs in doing such acts.

We have the right, upon reasonable notice, to change, discontinue, or substitute the Marks and to adopt new Marks for use with the System without any liability to you. You agree to implement any such change at your own expense within the time we reasonably specify.

**ITEM 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION**

We own no rights in, or licenses to, any patents or patent applications.

Except as provided below, we own no rights in, or licenses to, any copyrights. We have not registered any copyrights with the United States Copyright Office. However, we claim copyrights with respect to our advertising materials, training materials, signs, website, and Manuals, as well as other materials we may periodically develop. There are no determinations of the United States Copyright Office or any court regarding any of our copyrights. There are no agreements limiting the use of any of our copyrights.

Any copyrights used by you in the Franchise belong solely to us or our affiliates. You must notify us promptly of any unauthorized use of our copyrights of which you have knowledge or of any challenge to the validity of our ownership of or our right to license others to use any of our copyrights. We will take the action we believe to be appropriate. We have the right, but no obligation, to initiate, direct, and control any litigation or administrative proceeding relating to our Copyrights, including, but not limited to, any settlement. We will be entitled to retain any and all proceeds, damages, and other sums, including attorneys' fees, recovered or owed to us or our affiliates in connection with any such action. You must execute all documents and, render any other assistance we may deem necessary to any such proceeding or any effort to maintain the continued validity and enforceability of the Copyrights. If we request, you must discontinue the use of the subject matter covered by any copyright used in connection with the Franchise.

During the term of your Franchise Agreement, we may disclose in confidence to you, either orally or in writing, certain trade secrets, know-how, and other confidential information (collectively, "Proprietary Information") relating to the System, our business, or the construction, management, operation, or promotion of the Business. You may not, nor may you permit any person to, use or disclose any Proprietary Information (including without limitation all or any portion of the Manuals) to any other person, except to the extent necessary for your professional advisors and your employees to perform their functions in the operation of the Business. You will be liable to us for any unauthorized use or disclosure of Proprietary Information by any employee or other person to whom you disclose Proprietary Information. You must take reasonable precautions to protect the Proprietary Information from unauthorized use or disclosure and must implement any systems, procedures, or training programs that we require. You must require anyone who may have access to the Proprietary Information to execute non-disclosure agreements in a form satisfactory to us that identifies us as a third party beneficiary of such covenants with the independent right to enforce the agreement.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

At all times that your Business is open for business, it must be under the personal supervision of either, you, your Designated Principal, or a General Manager. You or your Designated Principal and your General Manager must successfully complete our training program and any other training programs that we may require. You may not permit your Business to be operated, managed, directed, or controlled by any other person without our prior written consent.

Your Designated Principal must have authority over all business decisions related to your Business and must have the power to bind you in all dealings with us. Your Designated Principal may serve as your General Manager, unless we believe that he or she does not have sufficient experience. You must provide us with written notice of your Designated Principal and General Manager at least fifteen (15) days prior to opening and may not change your Designated Principal and General Manager without our prior approval.

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL**

You may offer for sale in the Business only the products and services that we have approved in writing in the Manuals. We may change these specifications periodically, and we may designate specific products or services as optional or mandatory. You must offer all items that we designate as mandatory. We may permit franchisees not to sell certain products or services, or may permit certain franchisees to offer products or services not generally available to franchisees, in order to meet certain local market needs. You may sell products only in the varieties, forms, and packages that we have approved. If we revoke approval of a previously approved product that you have been selling, you may continue to sell the product only from your existing inventory for up to 90 days following our disapproval. We have the right to shorten this period if, in our opinion, the continued sale of the product would prove detrimental to our reputation.

We impose no restriction on the customers that you may serve or sell to, other than those relating to territory. You may not sell our products through any wholesale or other channel of distribution which we have not approved. You may not resell your TapSnap™ kiosks or display equipment on EBay or other electronic auction or billboard sites. You may not establish an independent website.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "**Agreement**") is made and entered into on this ____ day of _____ 20__ by and between TapSnap Ventures, Inc., a British Columbia corporation ("**Franchisor**"); and _____ ("**Franchisee**") **collectively the "Parties"**. For purposes hereof, the "Effective Date" shall be _____, 20__.

BACKGROUND:

A. PREAMBLES.

TapSnap Ventures, Inc. (The "Franchisor") offers franchises for the operation of digital photo entertainment systems for use at events such as weddings, conventions, marketing events, brand activations, grand openings, trade shows, and reunions, and other types of social and promotional gatherings, using proprietary technology (the "Services"), as well as other ancillary and related merchandise (the "Products"). Products and Services shall be collectively referred to as the "Products and Services" under the TapSnap™ Marks ("TapSnap™ Franchise") using certain techniques through a proprietary uniform system having high standards of service developed by Franchisor (the "System").

The TapSnap™ Franchise is identified by means of certain trade names, service marks, trademarks, logos, trade dress, emblems, and indicia of origin as are now designated and may hereafter be designated by Franchisor in writing for use in connection with the TapSnap™ Franchise including the service mark logo "TapSnap™" (the "Marks"). The Marks are owned by Franchisor and will at all times remain the property of Franchisor.

Franchisee wants to enter into the business of operating a TapSnap™ Franchise (sometimes referred to as a "Business" or "TapSnap™ Business") and using the Marks, and wishes to enter into this Agreement for that purpose and to get the training and other assistance provided by Franchisor.

Franchisee understands and acknowledges the importance of the high standards of Franchisor for quality, appearance, and service; and the necessity of operating the Business in conformity with the standards and specifications of Franchisor.

The Parties agree to act reasonably and in good faith in all matters concerning the performance and enforcement of this Agreement.

B. ACKNOWLEDGMENTS. You acknowledge:

That Franchisee has independently investigated this franchise opportunity and recognizes and hereby acknowledges that, like any other business, the nature of the business a TapSnap™ Franchise conducts may, and probably will, evolve and change over time.

That an investment in a franchise involves business risks that could result in a loss of a significant portion or all of Franchisee's investment and that its business abilities and efforts are vital to Franchisee's success and the success of its TapSnap™ Franchise.

That Franchisee has not received from Franchisor, and is not relying upon, any representations or guarantees, express or implied, as to potential volume, sales, income, or profits of a TapSnap™ Franchise.

That Franchisee has represented to Franchisor, to induce its entry into this Agreement, that all statements Franchisee has made, written or oral, and all materials Franchisee has given Franchisor are accurate and complete, and that it has made no misrepresentations or material omissions in obtaining the franchise.

That Franchisee has been afforded an opportunity, and has been encouraged by Franchisor to have this Agreement and all other agreements and materials Franchisor has given or made available to Franchisee reviewed by an attorney, accountant, and/or other professional adviser and has either done so or elected not to do so.

That Franchisee has a net worth which is sufficient to make the investment in the franchise opportunity represented by this Agreement, that Franchisee will have sufficient funds to meet all of its obligations under this Agreement and that Franchisee has no material financial obligations, whether actual or contingent, which are outstanding which it has not disclosed to Franchisor in writing.

That Franchisee is not a party to any pending or threatened litigation, arbitration or other legal proceedings or claims, and that Franchisee is not subject to any agreement, court or administrative judgment or order which would inhibit in any way or make more difficult Franchisee's fulfillment of its obligations under this Agreement.

C. CORPORATION, LIMITED LIABILITY COMPANY OR PARTNERSHIP. If Franchisee is at any time a corporation, limited liability company, or partnership, Franchisee agrees and represents that:

Franchisee will have the authority to execute, deliver, and perform its obligations under this Agreement and all related agreements and are duly organized or formed and validly existing and in good standing under the laws of the state of its formation.

Franchisee's organizational documents will recite that this Agreement restricts the issuance and transfer of any ownership interests in Franchisee, and all certificates and other documents representing ownership interests in Franchisee will bear a legend referring to this Agreement's restrictions;

Franchisee's TapSnap™ Franchise will be the only business it operates (although its owners may have other, non-competitive business interests).

While Franchisor has encouraged Franchisee to form a business entity for purposes of its business operations as a Franchisee, the decision to form or not form an entity is entirely Franchisee's.

Exhibit B to this Agreement completely and accurately describes all of Franchisee's owners and their interests in Franchisee as of the Effective Date and each of its owners during this Agreement's term will execute a guaranty in the form prescribed by Franchisor undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between Franchisee and Franchisor. Franchisee and its owners agree

to sign and deliver to Franchisor a revised Exhibit B to reflect any permitted changes in the information that Exhibit B now contains.

NOW, THEREFORE, the Parties agree as follows:

SECTION 1 – GRANT

1.1 **Grant and Acceptance.** Franchisor grants to Franchisee the right, and Franchisee hereby undertakes the obligation, on the terms and conditions set forth herein, to: (a) establish and operate a TapSnap™ Franchise (the "Business"), (b) use, only in connection therewith, the Marks and the System, as they may be changed, improved, or developed from time to time by Franchisor; and (c) operate the Business in accordance with this Agreement.

1.2 **Territory.** Franchisor does not offer exclusive Territories. Franchisor tries to limit, in its sole discretion, the number of franchisees in a market area ("Market Area") as defined below. You may, except as otherwise provided in this Section 1.2, accept business (and therefore offer services at events) outside your Market Area, but may not solicit or advertise for business outside the Market Area, other than as provided in this Section. You may provide services outside your Market Area only to customers who contact you directly, to customers who we refer to you for service (typically because there is no available franchisee who can service that customer), or to potential customers who although are located outside of your Market Area are scheduled to attend or host an event to be held in your Market Area. As an example, if your Market Area includes Las Vegas, Nevada, you could contact exhibitors at an upcoming trade show to be held in Las Vegas to offer TapSnap™ products and services. We reserve the right, if 25% or more of your events are taking place outside of your Market Area, to limit the number of these "outside your Market Area" events, or to require that you or we refer a portion (as determined by us) of those events to another franchisee. Factors which Franchisor considers in determining the number of franchises it will place in a Market Area include, but are not limited to, the number of convention/event/banquet facilities in the Market Area, number of hotel rooms and range of hotel revenue, number of event planners, number of weddings, whether the Market Area is considered to be a Destination Market (as defined below), geography and demographics of the Market Area, whether then existing franchisees are fully servicing the demand for TapSnap™ services within a given Market Area, or have developed the Market Area to its full potential. Franchisor reserves the right to add franchisees in a Market Area if the existing franchisees are underperforming as measured by the performance of other franchisees in similar Market Areas or other franchisees who have been in business for a similar length of time. In addition, Franchisor reserves the right to add franchisees to service any underserved Market Area, at its sole discretion. Franchisor reserves the right to sell a Market Area exclusively to one or more franchisees, for additional consideration.

For the purpose of this Section 1.2 a Market Area is defined as a geographic or demographic zone containing people or businesses which are likely to utilize the Products and Services.

For the purpose of this Section 1.2 a Destination Market is defined as a tourist magnet area that attracts a significant number of visitors or an area, region, or civic entity that hosts a significant number of conventions, weddings, or similar events. A Destination Market is further defined to include any "destination" to which people travel for the purpose of holding or attending events not generally held, or not desirable or practical for individuals or entities to hold, in their home areas and to which they and other attendees may travel for purposes of holding or attending such event(s).

Franchisee's decision to add or not add additional TapSnap™ systems to meet demand in its Market Area as well as Franchisee's willingness to purchase new products or services developed by Franchisor may also impact Franchisor's consideration of how many franchises to award in Franchisee's Market Area.

Franchisee understands and agrees that Franchisee does not have any option or rights of first refusal on any Market Area, and that Franchisor may award or operate a TapSnap™ Franchise in any such Market Area or Destination Market at any time, in its sole discretion.

1.3 **Limit on Sales.** Franchisee shall offer, rent or sell such Products and Services and only such Products and Services as have been expressly approved for sale in writing by Franchisor. Franchisee shall not offer for sale or rent any other Products or Services without the express prior written consent of Franchisor.

1.4 **Reserved Rights.** Franchisor retains the rights, on any terms and conditions Franchisor deems advisable, and without granting Franchisee any rights:

1.4.1 To own, acquire, establish, operate or license to others TapSnap™ Franchises under the System.

1.4.2 To own, acquire, establish, operate or license others to establish and operate similar businesses under the Marks.

1.4.3 To own, acquire, establish or operate, and license others to establish and operate, businesses under marks other than the Marks utilizing other programs or business models, whether such businesses are similar to or different from the Business.

1.4.4 To sell, lease or rent TapSnap™ kiosks to, or for use on, cruise ships or cruise ship terminals, regardless of where any such ship may be docked from time to time. Franchisor also reserves the right to sell, lease or rent TapSnap™ kiosks to operate in public venues such as hotels, stadiums, amusement parks, shopping malls or facilities or similar locations ("Public Venues") utilized by the general public at specific events held in the Public Venue.

1.4.5 To negotiate prices for events with Corporate Accounts and service or get other franchisees to service those events in Franchisee's Market Area, if Franchisee turns down the opportunity to service an event, or if Franchisor does not consider the resident Franchisee sufficiently qualified or experienced to service said event. Franchisor shall offer these events for Corporate Accounts to a franchisee in a given Market Area as Franchisor shall determine in its sole discretion. A Corporate Account is primarily an organization or company that has operations or potential for events, in multiple markets in the United States.

SECTION 2 - TERM AND RENEWAL

2.1 **Initial Term.** This Agreement will be in effect on its execution by Franchisor and, except as otherwise provided herein, this Agreement will expire five (5) years from the Effective Date.

2.2 **Renewal.** Franchisee may apply to operate the Business for unlimited successive additional terms of five (5) years each if the following conditions are met before each renewal:

2.2.1 Franchisee will give Franchisor written notice of Franchisee's election to renew at least six (6) months, but not more than twelve (12) months, before the end of the term of this Agreement;

2.2.2 Franchisee will not have any past due monetary or other outstanding obligations to Franchisor and its affiliate, the approved suppliers of the System;

2.2.3 Franchisee will not be in default of any provision of this Agreement, or any other agreement between Franchisee and Franchisor or any affiliates or the approved suppliers of the System; and Franchisee will have substantially complied with all the terms and conditions of such agreements during the term hereof;

2.2.4 Franchisee and Franchisor will execute a mutual general release, in a form prescribed by Franchisor, of all claims against Franchisor, its affiliates, and their officers, directors, agents, and employees;

2.2.5 Franchisee will execute the then current form of franchise agreement offered by Franchisor, which will supersede this Agreement in all respects, and the terms of which may differ from the terms of this Agreement including requirements to pay additional and/or *higher* fees;

2.2.6 Franchisee will comply with Franchisor's then current qualification and training requirements;

2.2.7 Franchisee, at the time of renewal, satisfies Franchisor's standards of financial responsibility and, Franchisee demonstrates to Franchisor that Franchisee has sufficient financial resources to continue to operate the Business during the renewal term;

2.2.8 Franchisee will bring any and all of its TapSnap™ kiosks up to current System standards, which may require significant expenditures. Franchisor will not charge new TapSnap™ purchase costs exceeding the amount paid by Franchisee for any initial equipment purchases, as adjusted for inflation, improvements or modifications and Franchisor's reasonable costs of materials, improvements, design changes or upgrades on a per TapSnap™ basis; and

2.2.9 Franchisee shall pay Franchisor's then current renewal fee (the "Renewal Fee"), which Renewal Fee shall not exceed twenty-five (25%) of the then current Initial Franchise Fee for a comparable Market Area.

SECTION 3 - DUTIES OF FRANCHISOR

3.1 **Initial Business Set-up.** Franchisor will make available, at no charge to Franchisee, specifications for the basic business set-up, fixtures, and equipment required to operate the business, including suggested equipment required to operate the business and approved vendors (the "Approved Vendors"). TapSnap™ equipment may only be purchased from Franchisor or from an approved vendor. The quantity of TapSnap™ systems which Franchisee must purchase to begin its TapSnap™ Franchise will vary depending upon the size, population, and geographic characteristics of its Market Area, along with the number of events which Franchisee and Franchisor anticipate Franchisee servicing on a periodic basis. Franchisor may require Franchisee to purchase products, such as clothing and other merchandise for use or sale in its TapSnap™ Franchise, from Franchisor or an Approved

Vendor. Franchisee understands and acknowledges that Franchisor has the right to modify the required equipment specifications as Franchisor deems appropriate.

3.2 **Initial Training Program.** Franchisor will provide its initial training program for Franchisee (the "Initial Training Program"), as described in Section 6.1.1 and 6.1.2 of this Agreement; unless this Agreement is for the second or subsequent TapSnap™ Franchise; in which event the terms set forth in Section 6.1.2 below will apply with respect to the pre-opening training of Franchisee, the Designated Principal ("D.P.") and any General Manager ("G.M."), if any (as D.P. and G.M. are defined in Section 8.3). Franchisor will also provide such ongoing training as it may deem appropriate in accordance with the terms and conditions of this Agreement.

3.2.1 Franchisee may have one person, including franchisee, attend the Initial Training Program at no charge. Additional attending persons are charged \$750.00 each for training.

3.2.2 If Franchisor determines that Franchisee or its Designated Principal and/or G.M. cannot complete the Initial Training Program to Franchisor's satisfaction, Franchisor may terminate this Agreement. If Franchisor terminates this Agreement because of Franchisee's failure to complete the Initial Training Program to Franchisor's satisfaction, Franchisor will refund Franchisee's Initial Franchise Fee. All TapSnap™ kiosks are manufactured when ordered by a franchisee, and Franchisor will incur these manufacturing costs; Franchisor will refund Franchisee's Equipment Purchase Fee (as defined in Section 4.1 herein) upon Franchisee shipping that equipment back, less a restocking charge which shall be twenty percent (20%) of the Equipment Purchase Fee. Franchisee will also be responsible for any shipping costs, and insurance, which must be prepaid by Franchisee. All TapSnap™ kiosks must be returned in original condition in order for Franchisee to receive a refund, and must be received by Franchisor within fourteen (14) days of termination of this Agreement.

3.3 **Loan of Manuals.** Franchisor will provide Franchisee, on loan, copies of Franchisor's confidential operations manuals and other manuals, instructional materials, and written policies and correspondence (collectively, the "Manuals"), as more fully described in Section 10 in this Agreement. Under no circumstances will title to the Manuals pass to Franchisee.

3.4 **Advertising Programs and Materials.** Franchisor shall review and will have the right to approve or disapprove all advertising and promotional materials that Franchisee asks to use, according to Section 12. Franchisor will manage and provide an initial marketing plan and assist in its implementation according to Section 12.9

3.5 **Guidance.** Franchisor may provide periodic advice or guidance to Franchisee in the marketing, management, and operation of the Business as determined by Franchisor. Guidance and advice given via telephone or email is free.

3.6 **Inspections.** Franchisor will conduct, as it deems advisable, inspections of the operation of the Business operated by Franchisee. Inspections may include having a TapSnap™ corporate representative attend an event, or requiring that Franchisee supply photos of staff or of their equipment setup at an event.

3.7 **Delegation.** Franchisee acknowledges and agrees that any duty or obligation imposed on Franchisor by this Agreement may be performed by any distributor, designee, employee, or agent of Franchisor.

3.8 **Fulfillment of Obligations.** In fulfilling its obligations under this Agreement, and in conducting any activities or exercising any rights according to this Agreement, Franchisor must take into account the needs of all franchisees and the franchise system as a whole, as well as those of Franchisor. Franchisor therefore retains the right: (i) to take into account, as it sees fit, the effect on, and the interests of, other Businesses and systems in which Franchisor has an interest, and on Franchisor's own activities; (ii) to share market and product research, and other proprietary and non-proprietary business information, with other businesses and systems in which Franchisor has an interest, or with Franchisor's affiliates; (iii) to introduce proprietary and non-proprietary items or operational equipment used by the System into other franchised systems in which Franchisor has an interest; (iv) to allocate resources and new developments between and among systems, and/or Franchisor's affiliates, as Franchisor sees fit; and (v) to treat Franchisee and other franchisees differently, or not to do so, as Franchisor deems appropriate. Franchisee understands and agrees that all of Franchisor's obligations under this Agreement are subject to this Section 3.8 and that nothing in this Section 3.8 in any way affects Franchisee's obligations under this Agreement.

3.9 **Maintenance of Toll Free Number/Lead Distribution/Corporate Accounts.**

Franchisor will provide and maintain a toll free number, with a virtual local extension, for use by Franchisee. Franchisor will distribute customer leads to Franchisee where Franchisor is able to identify potential customers, through whatever means, in the Market Area. Franchisor may also provide additional customer leads in close geographic proximity to the Market Area if the event, customer or prospect is not in the Market Area or the Market Area of another franchisee. Franchisor shall have no liability to Franchisee for leads sent to any franchisee in the incorrect Market Area through mistake or inadvertence. Franchisor may, through its own efforts or those of a Referring Franchisee, obtain Corporate Account events at prices and margins Franchisor deems appropriate; Franchisor will use its business judgment in setting prices for Corporate Account events and providing franchisees with the opportunity to service those events in a Market Area. Franchisor also may assign or reassign any lead where Franchisee fails to respond to a referred lead by contacting the customer or prospect directly as set forth in the Manuals. Franchisor may close any lead for any event if Franchisor determines at their sole discretion that the lead is better handled by a corporate salesperson than a Franchisee. Franchisees when hired to service events secured by Franchisor will be paid a pre-determined hourly rate or for the total value of the event less commission as set forth in the Manuals. You agree to follow the procedures, policies and other terms and conditions regarding leads and prospects as set forth in the Manuals

SECTION 4 – FEES

4.1 **Initial Franchise Fee, Marketing Fee and Equipment Purchase Fee.** Franchisee will pay, upon signing this Agreement, a non-recurring, non-refundable franchise fee (the "Initial Franchisee Fee") in the amount stated in Exhibit A to this Agreement, which fee includes the Initial Training Program at Franchisor's offices. Franchisee will purchase a TapSnap™ equipment package based on the number of TapSnap™ kiosks Franchisee wishes to own, and Franchisor agrees is needed to begin servicing the assigned Market Area. We will require you to purchase a specific number of TapSnap™ kiosks based on the

population of your Market Area so that you can adequately service that Market Area. The purchase price for the initial TapSnap™ package will be the amount specified in Exhibit A (the “Equipment Purchase Fee”). The Initial Marketing Fee will be \$2,500, for which Franchisor will provide Franchisee with an initial, basic marketing package including some or all of the following: Google AdWords account management, establishing social media accounts, creating a local business contact list, cold calling, direct mail, and local media/PR. The Initial Franchise Fee, Marketing Fee and Equipment Purchase Fee shall be paid in full to Franchisor, unless otherwise specified in writing by Franchisor, on signing this Agreement. Fees paid via credit card, including Franchise Fees, are not refundable, nor are credit card charge backs allowed (other than as provided by law). There are currently four (4) different levels of Equipment Purchase Fees, which vary based on the number of TapSnap™ kiosks that are included.

4.2 **Included Items.** The Equipment Purchase Fee includes the number of TapSnap™ kiosks, printer supplies, accessories, carrying cases and ongoing online and other advertising, as specified in Exhibit A hereto and a start-up quantity of brochures and business cards. The Equipment Purchase Fee does not include shipping and handling charges for the initial equipment Franchisee is purchasing, nor does it include event tents and other optional items. The Initial Marketing Fee includes some or all of the following: Google AdWords account management, establishing social media accounts, creating a local business contact list, cold calling, direct mail, and local media/PR.

4.3 **Royalty Fee.** In return for the on-going rights and privileges granted to Franchisee hereunder, Franchisee will pay to Franchisor throughout the term of this Agreement a royalty in an amount equal to ten (10%) percent of the actual Event Fee (the “Royalty”). We require that you pay certain Monthly Minimum Royalties based on the size of your Market Area and its corresponding Event Pricing Tier as specified under “Royalty” in the following Table:

Minimum Royalty Fee on Marketing Areas up to 500,000 population is the greater of 10% of actual Gross Revenue or the amounts listed in the table below.

Price Tier	Months 4 - 12	Year 2	Year 3	Year 4	Year 5
Tier A	\$500/month	\$660/month	\$858/month	\$950/month	\$1,054/month
Tier B	\$415/month	\$548/month	\$712/month	\$790/month	\$876/month
Tier C	\$360/month	\$475/month	\$618/month	\$685/month	\$760/month

Minimum Royalty Fee on per 100,000 population for Marketing Areas in excess of 500,000 population (rounded up or down to nearest 100,000 population) is the greater of 10% actual Gross Revenue or the amounts listed in the table below.

Price Tier	Months 4 - 12	Year 2	Year 3	Year 4	Year 5
Tier A	\$100/month	\$132/month	\$171/month	\$190/month	\$210/month
Tier B	\$83/month	\$109/month	\$142/month	\$158/month	\$175/month
Tier C	\$72/month	\$95/month	\$124/month	\$137/month	\$152/month

Notes: Minimum Royalties are tracked starting at the beginning of the 4th month following training. The first payment for any royalties owed would be charged on the 15th

day of the 5th month following training, and on the 15th of each month thereafter. Minimum Royalties are calculated at 10% of gross revenue and are calculated monthly. Royalty payments received in excess of minimums do not count towards subsequent months.

4.4. **Call Center Fee.** Franchisee will pay to Franchisor a Call Center fee (the “Call Center Fee”) in an amount equal to four (4%) percent of the actual Event Fee, to cover the costs associated with the creation, staffing, purchase of equipment, and other ongoing operational and development costs of the Call Center. We require that you pay certain Monthly Minimum Call Center Fees based on the size of your Market Area and its corresponding Event Pricing Tier as specified in the Table at the end of Section 4.3 above.

Franchisor may, in its sole discretion, increase the Call Center Fee upon providing Franchisee with ninety (90) days prior notice in writing, due to any increased costs associated with operating the Call Center; provided that the maximum contribution shall be no greater than six (6%) percent of the actual Event Fee.

4.5 **Payment of Royalty and Call Center Fee.** Payment to TapSnap by the Franchisee for the inclusive sum of the Royalty Fee, Call Center Fee, and the Branding Fund Contribution will be made by credit card and must be received prior to a particular event. Such payment constitutes an Event Code Fee. Unless the Event Code Fee is paid prior to an event, Franchisee’s TapSnap™ will not be activated to operate at that particular event.

4.6 **Software Fee.** Franchisee shall pay Franchisor a monthly fee of forty (\$40.00) dollars per kiosk for the use of TapSnap™ “Snap” kiosk software and SnapBook event management software. Such Software Fee is payable on the first day of every month. To facilitate payment of the Software Fee, Franchisee will provide Franchisor with a valid credit card and pre-authorize Franchisor to process the payment of the Software Fee using such credit card on the first day of each month. Partial months shall be charged on a pro rata basis.

Franchisor may, in its sole discretion, increase the Software Fee upon providing Franchisee with ninety (90) days prior notice in writing, due to any increased costs associated with providing software; provided that the maximum contribution shall be no greater than sixty (\$60.00) dollars per TapSnap™ kiosk per month.

Notwithstanding the above, the Software Fee may vary depending upon the total number of active TapSnap™ kiosks utilized by Franchisee and may be scaled by Franchisor as Franchisee’s number of TapSnap™ kiosks increases, thereby reducing Franchisee’s operating costs on a per TapSnap™ basis. Franchisee acknowledges that Franchisor will incur ongoing software development and data storage/hosting expenses which are anticipated to be very significant.

4.7 **Administrative Software Suite Fee.** Franchisee shall pay Franchisor a monthly fee of ninety-five (\$95.00) dollars per account for the use of the required lead and task assignment CRM Software, for your email account and communication platform (“Administrative Software Suite Fee”). The Software Fee is payable on the first day of every month. To facilitate payment of the Administrative Software Suite Fee, Franchisee will provide Franchisor with a valid credit card and pre-authorize Franchisor to process the payment of the Administrative Software Suite Fee using such credit card on the first day of each month. Partial months shall be charged on a pro rata basis.

4.8 **Overdue Payments.** Any payment or contribution not actually received by Franchisor on or before its due date will be overdue. If Franchisee is overdue on any fees due under this Agreement, Franchisor may discontinue any services related to those fees, or other services, to Franchisee. Royalty fees which are paid late will incur a \$500 fee for the first late payment and \$1,000.00 for each late payment thereafter.

4.9 **No Subordination/No Liens.** Franchisee will not subordinate to any other obligation its obligation to pay all fees or charges payable to Franchisor, whether under this Agreement or otherwise. Franchisee will not cause or allow any liens on its TapSnap™ kiosks or other business property and shall cause any lien which is imposed or asserted to be removed within thirty (30) days of its being imposed. Franchisee must give written notice to Franchisor immediately upon its receipt of notice of any lien exercised or threatened to be exercised against any TapSnap™ equipment, Products or Services. Failure to give such notice, and/or to discharge any lien within 30 days of its assertion, shall constitute independent acts of default under the terms of this Agreement.

4.10 **U.S. Dollars.** All sums payable to Franchisor by Franchisee shall be payable in United States Dollars.

4.11 **Inflation Adjustment.** Franchisor may adjust any fixed fees or charges provided for in this Agreement, any ancillary agreements and the Manuals based upon increases in the United States Consumer Price Index as published by the U.S. Department of Labor's Bureau of Labor Statistics, or if that index is no longer published, any commonly accepted substitute for that index.

4.12 **Minimum Monthly Fees.** Minimum Monthly Fees apply to Royalty, Call Center and Branding Fund Fees, as described in this Section 4. If applicable, Minimum Monthly Fees are due by the 10th day of the following month, and charged automatically to the credit card you maintain on file with us.

4.12.1 Our establishment of these Minimum Monthly Fees does not mean nor suggest that by creating sufficient revenues to meet or cover these Minimum Monthly Fees, that your Business will be profitable or that you will have sufficiently penetrated your Market Area. Minimum Monthly Fees have been established by us primarily so that there will be sufficient revenues available to us to enable us to support our franchisees and grow the TapSnap™ brand.

4.12.2 We may, in our sole discretion, adjust Minimum Monthly Fees downward by 25% if you share all or part of a Market Area with another franchisee. We may make any adjustments, in our sole discretion based on the degree or portion of your Market Area that is shared or overlaps another franchisee's Market Area.

Franchisee will not change the address of Franchisee's Location without the prior written consent of Franchisor, such consent not to be withheld unreasonably. Upon such consent being provided, the new address will automatically become Franchisee's Location hereunder.

These programs may be conducted for various lengths of time and at various locations selected by Franchisor, or may be provided by way of on-line presentations (e.g., "Webinars" or interactive tutorials) or downloadable pre-recorded programs, or in any other reasonable manner. Franchisor will defend Franchisee against any third-party claim, suit, or demand arising out of Franchisee's use of the Marks. If Franchisor, in its sole discretion, determines that Franchisee has used the Marks in accordance with this Agreement, the cost of such defense and the cost of any judgment or settlement, will be borne by Franchisor. If Franchisor, in its sole discretion, determines that Franchisee has not used the Marks in accordance with this Agreement, those costs will be borne by Franchisee. In the event of any litigation relating to Franchisee's use of the Marks, Franchisee will do such acts as may, in the opinion of Franchisor, be necessary to carry out such defense or prosecution, including becoming a nominal party to any legal action. Except to the extent that such litigation is the result of Franchisee's use of the Marks in a manner inconsistent with the terms of this Agreement, Franchisor agrees to reimburse Franchisee for its out-of-pocket costs in doing such acts.

9.4 **Franchisee Acknowledgments.** Franchisee expressly understands and acknowledges that:

9.4.1 Franchisor is the lawful licensee of the Marks and the goodwill associated with and symbolized by them, and that Franchisor has the sole right to use and license the Marks;

9.4.2 Franchisee will not at any time, directly or indirectly contest the validity of Franchisor's ownership of, or right to use and to license others to use, the Marks;

9.4.3 Franchisee's use of the Marks does not give Franchisee any ownership or other interest in the Marks;

9.4.4 All goodwill arising from Franchisee's use of the Marks will inure exclusively to the benefit of Franchisor, and on expiration or termination of this Agreement, no monetary amount will be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Marks;

9.4.5 The license of the Marks granted by this Agreement to Franchisee is nonexclusive, and Franchisor thus has and retains the rights, among others: (a) to use the Marks itself; (b) to grant other licenses for the Marks; and (c) to develop and establish other systems using the Marks, or any other Marks, and to grant licenses to that Agreement without providing any rights to that Agreement to Franchisee; and

9.4.6 Franchisor will have the right, at its sole discretion, to substitute different Marks for use in identifying the System and the businesses operating under the System.

9.4.7 Franchisor has made no warranties or representations regarding the status of the Marks or any rights Franchisor may have to the Marks, other than those found in Franchisor's Franchise Disclosure Document.

SECTION 10 – MANUALS

10.1 **The Manuals and Information Provided to Franchisee.** Franchisee will operate the Business in accordance with the standards, methods, policies, and procedures specified in the Manuals, which Franchisee will receive on loan from Franchisor, via electronic access or otherwise, during the term of this Agreement on completion by Franchisee of initial training. The Manuals may be set forth in several volumes, including such amendments to the Manuals as Franchisor may publish from time to time. Additionally, Franchisee acknowledges and agrees that Franchisor may provide a portion or all (including updates and amendments) of the Manuals, and other information and materials in, or via, electronic media, including the use of computer disks or the Internet.

10.2 **The Manuals are Proprietary and Confidential.** Franchisee will treat the Manuals, any other materials created for or approved for use in the operation of the Business, and the information contained in the Manuals, as confidential, and will use all reasonable efforts to maintain such information (in any format) as proprietary and confidential. Franchisee will not download, copy, duplicate, record, or otherwise reproduce those materials, or otherwise make them available to any unauthorized person.

10.3 **The Manuals Remain Franchisor's Property.** The Manuals will remain the sole property of Franchisor and will be returned to Franchisor, as set forth in Section 16.6 below, on the termination or expiration of this Agreement.

10.4 **Revisions to the Manuals.** Franchisor may revise the content of the Manuals, and Franchisee expressly agrees to comply with each new or changed standard. Franchisee will ensure that the Manuals are kept current at all times. In the event of any dispute as to the content of the Manuals, the terms of the master copies maintained at the Corporate Office of Franchisor will be controlling.

SECTION 11 - CONFIDENTIAL INFORMATION

11.1 **Agreement With Respect to Confidentiality.** Franchisee acknowledges and agrees that it will not, during the term of this Agreement and for five (5) years thereafter, communicate, divulge, or use for the benefit of any other person any Confidential Information, knowledge, or know-how concerning Franchisor, the System, the Products and Services or the marketing, management or operations of the Business that may be communicated to Franchisee or of which Franchisee may learn by virtue of Franchisee's

operation of the Business. Franchisee will divulge such Confidential Information only to such of its employees as must have access to it in order to operate the Business. Any and all information, knowledge, know-how and techniques which Franchisor designates as confidential or Franchisee reasonably understands is treated as confidential will be deemed confidential for purposes hereof. For purposes of this Section 11 "Confidential Information" means information in whatever form, including electronic media, of Franchisor that is non-public, proprietary and confidential in nature or tends to confer a competitive advantage over one who does not possess the information but is not a Trade Secret.

11.2 Agreement With Respect to Trade Secrets. Franchisee agrees that all (i) Trade Secrets, and (ii) all embodiments of the Trade Secrets received or obtained by Franchisee from Franchisor during this Agreement are confidential and are and will remain the exclusive property of Franchisor. Franchisee expressly agrees that it will not, for or on behalf of Franchisee or any person, directly or indirectly, copy, use for Franchisee's own benefit or the benefit of any person other than Franchisor or disclose to any person any Trade Secrets. Upon termination of the Agreement for any reason, Franchisee shall return (or at Franchisor's request, destroy) to Franchisor all things and documents containing Trade Secrets (including physical or electronic copies of the foregoing) in Franchisee's possession, whether made by Franchisee or others, will be returned to Franchisor. The rights and obligations contained in this Section 11.2 shall continue to bind Franchisee during the term of the Agreement and with respect to all Trade Secrets, at all times hereafter so long as such Trade Secrets constitute trade secrets. For purposes of this Section 11 "Trade Secrets" means Franchisor's trade secrets (as defined by British Columbia law) and includes information in whatever form, including electronic media, of Franchisor, from which Franchisor derives economic value, actual or potential, from not being generally known to others and is the subject of Franchisor's efforts that are reasonable under the circumstances to maintain its secrecy or confidentiality, such information including, but not limited to: know-how; information about existing, new or envisioned Franchisor products, services, processes and their development and performance; any information; computer software and firmware; business information; unpublished lists of names; and information relating to manufacturing, purchasing, personnel, marketing, sales, prices and pricing, costs and quotations; data; compilations; programs; devices; methods; techniques; drawings; reports; lists of actual or potential customers or suppliers, specifications and designs and plans.

11.3 Individual Covenants of Confidentiality. Franchisee will require its Principals, Managers, and any personnel having access to any Confidential Information of Franchisor or whom has been trained in Franchisor's System to execute covenants that they will maintain the confidentiality of information they receive in connection with their employment by Franchisee with respect to the Business. Such covenants will be in a form satisfactory to Franchisor (the current forms of which are included in Exhibit D to this Agreement and incorporated herein by this reference).

11.4 Remedies for Breach. Franchisee acknowledges that any failure to comply with the requirements of this Section 11 will cause Franchisor irreparable injury, and in addition to any other rights or remedies available to Franchisor at law, Franchisor shall be entitled to a temporary restraining order, preliminary injunction or permanent injunction in order to prevent or to restrain any such breach by Franchisee, its officers, employees, agents, or any other person or entity who receives Confidential Information or Trade Secrets from Franchisee. Franchisee further agrees to pay all court costs and reasonable attorney's fees incurred by Franchisor in

obtaining specific performance of, or an injunction against violation of, the requirements of this Section 11.

11.5 **Grantback.** Franchisee agrees to disclose to Franchisor all ideas, concepts, methods, techniques and products conceived or developed by Franchisee, its affiliates, owners or employees during the term of this Agreement relating to the development or operation of the Business. Franchisee grants to Franchisor and agrees to procure from its affiliates, owners or employees a perpetual, non-exclusive, worldwide right to use any such ideas, concepts, methods, techniques in all businesses operated by Franchisor or its affiliates, franchisees and designees. Franchisor will have no obligation to make any payments to Franchisee with respect to any such items.

SECTION 12 - MARKETING AND PROMOTION

12.1 **Franchisee's Advertising Obligations.** Recognizing the value of marketing and promotion, and the importance of the standardization of marketing and promotion programs to the furtherance of the goodwill and public image of the Franchise and its System, Franchisee and Franchisor agree as follows:

Franchisee shall have the right to conduct such advertising and promotions in respect of the Franchised Business as Franchisee shall, in its reasonable discretion desire, provided that:

- (a) Franchisee shall advertise and promote only in a manner that will reflect favorably on Franchisor, Franchisee, the Products and Services, and the good name, goodwill and reputation thereof;
- (b) Franchisee shall only use advertising and promotional materials provided by Franchisor. Franchisor believes its materials have proven to be effective and the Franchisee should not be spending marketing efforts and focus trying to create different materials.
- (c) Franchisee hereby acknowledges that Franchisor is the sole and exclusive owner of all Marks, copyrights and any and all advertising and promotional material prepared by or on behalf of Franchisor or Franchisee and shall at all times remain the property of Franchisor.

12.2 **Advertising Materials.** Franchisor will make available to Franchisee from time to time, marketing plans and promotional materials. Franchisee acknowledges and agrees that it will be reasonable for Franchisor to not provide any such materials to Franchisee during any period in which Franchisee is not in full compliance with its obligations under this Agreement. Additionally, Franchisor may sell point of sale materials, samples or other promotional items and materials to franchisees in the System at a reasonable price, including a profit to Franchisor. Franchisee shall promptly pay Franchisor for all promotional materials sold by Franchisor to Franchisee.

12.3 **Directory Listings.** Franchisee may obtain listings in local or regional directories. Franchisee will comply with Franchisor's specifications concerning such listings.

12.4 **Establishment of Branding Fund.** Recognizing the value of uniform branding, advertising and promotion to the goodwill and public image of the System, Franchisee agrees to contribute to a branding fund (the "Branding Fund") in an amount equal to three (3%) percent of

all Event Fees, which shall be paid at the same time and in the same manner as the Royalty and Call Center Fees as set forth above in Section 4. We require that you pay certain Monthly Minimum Branding Fund Fees based on the size of your Market Area and its corresponding Event Pricing Tier as specified in the Table at the end of Section 4.3 above.

12.5 **Use of the Funds.** Franchisor will direct all programs financed by the Branding Fund, with sole control over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. Franchisee agrees that the Branding Fund may be used to pay the costs of preparing and producing video, social media campaigns, audio and written advertising materials; administering regional and multi-regional advertising programs, including, without limitation, purchasing direct mail and other media advertising and employing advertising, promotion and marketing agencies; marketing and advertising training programs and materials; and supporting public relations, market research and other advertising, promotion and marketing activities, whether prepared by Franchisor internally or by third parties. The Branding Fund periodically will furnish Franchisee with samples of advertising, marketing and promotional formats and materials at no cost. Multiple copies of such materials will be furnished to Franchisee at Franchisor's direct cost of producing them, plus any related shipping, handling and storage charges. Franchisor may use up to fifteen (15%) percent of the Branding Fund to defer general overhead, administrative and operating expenses incurred by Franchisor in relation to branding programs.

12.6 **Accounting for the Fund.** The Branding Fund will be accounted for separately from Franchisor's other funds and will not be used to defray any of its general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead, including rent and utilities, as Franchisor may incur in activities related to the administration of the Branding Fund and its programs, including, without limitation, conducting market research, preparing advertising, promotion and marketing materials and collecting and accounting for contributions to the Branding Fund. All interest earned on monies contributed to the Branding Fund will be used to pay advertising costs before other assets of the Branding Fund are expended. Franchisor may spend, on behalf of the Branding Fund, in any fiscal year an amount greater or less than the aggregate contribution of all franchisees to the Branding Fund in that year. The Branding Fund may borrow from Franchisor or others to cover deficits or invest any surplus for future use. If Franchisor lends money to the Branding Fund, it may charge interest at an annual rate one (1%) percent greater than the rates it pays its lenders. Franchisor will prepare an annual statement of monies collected and costs incurred by the Branding Fund and furnish the statement to Franchisee upon written request.

12.7 **Branding Fund Limitations.** Franchisee acknowledges that the Branding Fund is intended to maximize recognition of the Marks and patronage of TapSnap™ kiosks, and the Products and Services. Although Franchisor will endeavor to utilize the Branding Fund to develop advertising and marketing materials and programs and to place advertising that will benefit all franchisees, Franchisor undertakes no obligation to ensure that expenditures by the Branding Fund in or affecting any geographic area are proportionate or equivalent to the contributions to the Branding Fund by franchisees operating in that geographic area or that any franchisee will benefit directly or in proportion to its contribution to the Branding Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this section, Franchisor assumes no direct or indirect liability or obligation to Franchisee with respect to collecting amounts due to, or maintaining, directing or administering, the Branding Fund.

12.8 **Regional Advertising Cooperative.** If at least seventy-five (75%) percent (based on one vote per franchise without regard to ownership) of the franchised businesses within an area vote to form a regional advertising cooperative, Franchisee agrees to participate in said cooperative and to contribute such sums thereto as may be assessed by a majority vote of the cooperative. Franchisor shall have the right in its sole discretion, to designate any specific area for purposes of establishing a regional advertising cooperative (the “Co-op”). Any Franchisor owned and operated units shall not be entitled to a vote.

12.9 **Initial Launch Advertising and Promotion.** You must deposit \$2,500 with us, which we will disburse for an Initial Launch advertising and Promotional program covering your TapSnap™ Franchise, beginning approximately 14 days before, and continuing for approximately 3 months after, the opening of your TapSnap™ Franchise. The deposit must be made at the time you execute your Franchise Agreement.

The Initial Launch Advertising and Promotional program will utilize marketing and public relations programs and media and advertising materials as selected by us. Before the program can commence, Franchisee is required to participate in a consultative call with the Franchisor in order to structure the program based on criteria including, but not limited to; geographic area, population, seasonality and number of TapSnap™ franchises in a given area. Franchisee must also provide Franchisor with any information we may require to develop the program.

Franchisor will furnish additional advice and guidance to you with respect to your Initial Launch advertising and promotional program. No amount paid by Franchisee for its initial launch will be recognized as fulfilling any of Franchisee’s other promotion duties.

12.10 **Corporate Accounts.** A Corporate Account refers to any large opportunity that can potentially lead to several multi-day and/or multi-unit events that may or may not involve multiple Franchisees. Franchisor may contract with large companies with multiple national and/or regional locations who will desire to receive TapSnap™ services through a uniform pricing structure, for their locations or events (“Corporate Accounts”). When there is an opportunity to offer TapSnap™ goods or services to a company or any entity who can be defined as a Corporate Account, Franchisee must relay the contact information and details to the Franchisor without discussing any pricing, logistics, packages, or discounts.

Franchisor is and will remain the owner of all Corporate Account contracts. Should you choose to participate, Franchisor will give you a first right of refusal to provide products and/or services to any Corporate Account client in your Market Area if Franchisor determines, in its sole discretion, exercised in good faith, that you are qualified to provide such services and that the client will be satisfied to have you provide the products and/or services. If you wish to provide the products and/or services, you must do so at the fee offered to Franchisee by Franchisor. Franchisor may invoice the customer, and pay you upon receipt of payment from the customer. If you are not authorized or qualified to provide the products and/or services, or if you elect not to, then Franchisor may provide the products or services itself or through others, without compensation to you. You agree to coordinate any sales to Corporate Accounts (having locations inside your Market Area) through Franchisor. You agree to follow the policies and procedures with respect to National or Corporate Account Sales as set forth in the Manuals. You must forward any Corporate Account lead or inquiry to Franchisor, and you may not negotiate terms of a contract that will impact other TapSnap™ Franchisees with any such Corporate Account.

SECTION 13 – INSURANCE.

13.1 **Insurance Coverage.** Franchisee shall, at its sole cost and expense, take out and keep in full force and effect throughout the term of this Agreement and any renewal thereof, such insurance coverage as Franchisor may from time to time require (including, without limitation, product liability insurance, fire and extended coverage insurance on the equipment, leasehold improvements, automotive insurance and stock of the Franchised Business, event non-performance insurance, business interruption insurance, and/or public liability and indemnity insurance), in such amounts as Franchisor may from time to time require, fully protecting as named insureds Franchisor and Franchisee against loss or damage occurring in connection with the operation of the Franchised Business. All costs in connection with the placing and maintaining of such insurance shall be borne solely by Franchisee.

13.2 **Policies of Insurance.** All policies of insurance obtained pursuant to this Section 13 shall:

- (a) Be placed only with insurers reasonably acceptable to Franchisor;
- (b) Be in such form and amounts as is acceptable to Franchisor;
- (c) Contain a clause that the insurer will not cancel or change or refuse to renew the insurance without first giving to Franchisor thirty (30) days prior written notice; and
- (d) Name Franchisor as an additional named insured.

13.3 **Copies.** Copies of all policies or certificates of insurance and any renewals thereof, shall be delivered promptly to Franchisor by Franchisee from time to time throughout the term of this Agreement and any renewal thereof.

13.4 **Placement of Insurance by Franchisor.** If Franchisee fails to take out or keep in force any insurance referred to in subsection 13.1 above, or should any such insurance not be as provided in subsection 13.2 above, and should Franchisee not rectify such failure within forty-eight (48) hours after written notice is given to Franchisee by Franchisor, Franchisor has the right, without assuming any obligation in connection therewith, to effect such insurance at the sole cost of Franchisee and all outlays by Franchisor shall be immediately paid by Franchisee to Franchisor on the first day of the next month following such payment by Franchisor without prejudice to any other rights and remedies of Franchisor under this Agreement. Franchisee's failure to maintain insurance as required in this Section 13.4 shall be a material default under this Agreement which may lead to termination of this Agreement.

SECTION 14 - TRANSFER OF INTEREST

14.1 **Franchisor's Rights to Transfer.** Franchisor will have the right to transfer or assign this Agreement and all or any part of its rights or obligations in this Agreement to any person or entity, and any designated assignee will become solely responsible for all obligations of Franchisor under this Agreement. Franchisee expressly agrees that Franchisor may sell its assets, its Marks, or its System; may sell its securities in a public offering or in a private placement; may affiliate with, merge, acquire other corporations, or

be acquired by another corporation; and may undertake a refinancing, recapitalization, leveraged buy-out, or other economic or financial restructuring.

14.2 **No Transfers Without Franchisor's Approval.** Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee or its Principals, and that Franchisor has granted this franchise in reliance on Franchisee's or Franchisee's Principals' skill, financial capacity, and personal character. Accordingly:

14.2.1 Franchisee will not, without the prior written consent of Franchisor, transfer, pledge or otherwise encumber the rights or obligations of Franchisee or any material asset of its Business.

14.2.2 If Franchisee is an entity, Franchisee will not, without the prior written consent of Franchisor, issue any voting securities or securities convertible into voting securities. The recipient of any such securities will become a Principal under this Agreement, if so designated by Franchisor.

14.2.3 If Franchisee is a partnership or limited partnership, its partners will not, without the prior written consent of Franchisor, admit additional general partners, remove a general partner, or otherwise materially alter the powers of any general partner. Each general partner shall be deemed a Principal of Franchisee.

14.2.4 A Principal will not, without the prior written consent of Franchisor, transfer, pledge or otherwise encumber any interest of the Principal in Franchisee, as that Principal is identified in Exhibit B.

14.3 **Conditions on Transfer.** Franchisor will not unreasonably withhold any consent required by Section 14.2 above; provided, that if the proposed transfer alone or together with other transfers would have the effect of changing control of Franchisee, results in the assignment of the rights and obligations of Franchisee under this Agreement, or transfers the ownership interest in all or substantially all of the assets of the Business, Franchisor will have the right to require any or all of the following as conditions of its approval:

14.3.1 All of Franchisee's outstanding monetary obligations to Franchisor, its affiliates, any approved suppliers of the System have been satisfied in full, and there are no liens against the Business or equipment;

14.3.2 Franchisee will not be in default under this Agreement, any other agreement between Franchisee and Franchisor or its affiliate or the approved suppliers of the System;

14.3.3 Each transferor (and, if applicable owners of beneficial interest in the transferor as Franchisor may request) will have executed a general release in a form satisfactory to Franchisor of all claims against Franchisor, its affiliates and their respective officers, directors, agents, and employees;

14.3.4 The transferee of a Principal will enter into a written agreement, in a form satisfactory to Franchisor, agreeing to be bound as a Principal under this Agreement as long as such person or entity owns any interest in Franchisee. Additionally, the transferee and such owners of the transferee as Franchisor may request, will guaranty the performance of the transferee's obligations in writing in a form satisfactory to Franchisor;

14.3.5 The transferee will demonstrate to Franchisor's satisfaction that the terms of the proposed transfer do not place an unreasonable burden on the transferee, and that the transferee (or, if the transferee is other than an individual, such owners of beneficial interest in the transferee as Franchisor may request) meets Franchisor's then-current application qualifications and has the aptitude, resources and ability to operate the Business;

14.3.6 At Franchisor's option, Franchisee will execute the form of franchise agreement then being offered to new franchisees, and such other ancillary agreements required by Franchisor, which agreements will supersede this Agreement and its ancillary documents in all respects, and the terms of which may differ from the terms of this Agreement including higher or additional fees;

14.3.7 If so requested by Franchisor, Franchisee, at its expense, will upgrade the Business, and other equipment to conform to the then-current standards and specifications of new TapSnap™ Franchises being established in the System, within the time specified by Franchisor.

14.3.8 The transferor will remain liable for all obligations to Franchisor in connection with the Business that arose before the transfer and execute all instruments reasonably requested by Franchisor to evidence such liability;

14.3.9 The transferee and its Principals and the transferee's manager (if applicable) will, at the transferee's expense, successfully complete any training programs then in effect for operators and managers on such terms as Franchisor may reasonably require, including payment of any training fees to Franchisor;

14.3.10 Franchisee will pay a transfer fee equal in amount to fifty (50%) percent of the then current Initial Franchise Fee for a comparable Market Area, and the transferee shall pay a training fee to Franchisor in an amount of Twenty-five Hundred Dollars (\$2,500).

14.3.11 The transferee(s), at the request of Franchisor, will agree in writing to comply with the covenants set forth in Section 17 below.

14.3.12 In the event the Transferor transfers the Business to a transferee who was identified by Franchisor and given to the Transferor, the Transferor shall pay Franchisor an additional fee equal to twenty-five (25%) percent of the then current Initial Franchise Fee for a comparable Market Area payable at the time of the transfer.

14.4 **Additional Terms.** For any transfer not covered by Section 14.3, each transferee will, in addition to the requirement of obtaining Franchisor's consent as provided in Section 14.2 be subject to the requirements of Sections 14.3.3 and 14.3.4 above (with respect to execution of releases and personal guarantees).

14.5 **Security Interests.** Neither Franchisee nor any Principal will grant a security interest in, or otherwise encumber, any of the assets or securities of Franchisee, including the Business unless Franchisee satisfies the requirements of Franchisor, which include, without limitation, execution of an agreement by the secured party in which it acknowledges the creditor's obligations under this Section 14, and agrees that if there are any defaults by Franchisee under any documents related to the security interest, Franchisor will have the right and option (but not the obligation) to be substituted as obligor to the secured party and

to cure any default and, if Franchisor exercises such option, any acceleration of indebtedness due to Franchisee's default will be void.

14.6 Right of First Refusal. If Franchisee or any Principal desires to accept any *bona fide* offer from a third party to purchase Franchisee, any material asset of Franchisee, or any direct or indirect interest in Franchisee, Franchisee or such Principal will promptly notify Franchisor, and will provide such information and documentation relating to the offer as Franchisor may require. Franchisor will have the right and option, exercisable within thirty (30) days after receipt of the written transfer request and the required information and documentation related to the offer (including any information that Franchisor may reasonably request to supplement or clarify information provided to Franchisor with the written transfer request), to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party; provided, however, a spouse, domestic partner, parent or child of the seller will not be considered a third party for purposes of this Section 14.6. If Franchisor elects to purchase the seller's interest, closing on such purchase will occur within forty-five (45) days from the date of notice to the seller of the election to purchase by Franchisor.

14.6.1 Any material change thereafter in the terms of the offer from the third party or by Franchisee, or a change in the identity of the third party will constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of the third party's initial offer. Failure of Franchisor to exercise the option afforded by this Section 14.6 will not constitute a waiver of any other provision of this Agreement, including the requirements of this Section 14, with respect to a proposed transfer.

14.6.2 If the consideration, terms or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, or conditions, then Franchisor may purchase the interest proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time on the reasonable equivalent in cash of the consideration, terms, or conditions offered by the third party, Franchisor will designate an independent appraiser to make a binding determination. The cost of any such appraisal will be shared equally by Franchisor and Franchisee.

14.7 Death of a Principal. Upon the death of a Principal, the deceased's executor, administrator, or other personal representative will transfer the deceased's interest to a third party approved by Franchisor within ninety (90) days after death. If no personal representative is appointed or no probate proceedings are instituted with respect to the deceased's estate, then the recipient of such interest must be approved by Franchisor. If the recipient is not approved by Franchisor, then the recipient will transfer the deceased's interest to a third party approved by Franchisor within ninety (90) days after death.

14.8 Permanent Disability of Controlling Principal. Upon the permanent disability of any Principal with a controlling interest in Franchisee, Franchisor will have the right to require such interest to be transferred to a third party in accordance with the conditions described in this Section 14 within ninety (90) days after notice to Franchisee. "Permanent Disability" will mean any injury, illness or incapacity that would prevent a person from performing the obligations set forth in this Agreement for at least ninety (90) consecutive days and from which condition recovery within ninety (90) consecutive days from the date of determination of disability is unlikely. Permanent disability will be determined by a licensed practicing physician selected by Franchisor on examination of such person. If

such person refuses to be examined, then such person will automatically be deemed permanently disabled for the purposes of this Section 14.8 as of the date of refusal. Franchisor will pay the cost of the examination.

14.9 **Notice to Franchisor of Death or Permanent Disability.** Upon the death or permanent disability of any Principal of Franchisee, such person or his representative will promptly notify Franchisor of the death or disability. Any transfer on death or disability will be subject to the same terms and conditions as any lifetime transfer.

14.10 **Limited Exceptions.** Notwithstanding anything to the contrary in this Section 14:

14.10.1 Franchisee will not be required to pay the transfer fee due under Section 14.3.10 above, if the transferee: (a) is a spouse, domestic partner, parent, or direct lineal descendant or sibling of Franchisee or of a Principal of Franchisee (or more than one of such persons), provided that the transferee has been involved in, and is knowledgeable regarding, the operations of the Business; (b) is a Principal of Franchisee; or (c); is a transferee under Sections 14.7 or 14.8 above.

14.10.2 If Franchisee is an individual and seeks to transfer this Agreement to a corporation, partnership, or limited liability company formed for the convenience of ownership, the conditions of Sections 14.3.6 (signing a new franchise agreement), 14.3.7 (upgrading the Business), and 14.3.10 (transfer fee) will not apply, and Franchisee may undertake such transfer, provided that Franchisee owns one hundred percent (100%) of the equity interest in the transferee entity, and Franchisee executes a written guaranty satisfactory to Franchisor.

14.11 **No Waiver.** The consent of Franchisor to any transfer according to this Section 14 will not constitute a waiver of any claims it may have against the transferring party, nor will it be a waiver of the right of Franchisor to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

14.12 **Bankruptcy.** If Franchisee or any person holding any interest (direct or indirect) in Franchisee becomes a debtor in a proceeding under the U.S. Bankruptcy Code or any similar law in the U.S. or elsewhere, it is the parties' understanding and agreement that any transfer of the ownership of Franchisee, Franchisee's obligations and/or rights by this Agreement and/or any material assets of Franchisee, will be subject to all of the terms of this Section 14.

14.13 **No Transfers in Violation of Law.** Notwithstanding anything to the contrary in this Agreement, no transfer will be made if the transferee, any of its affiliates, or the funding sources for either is a person or entity designated with whom Franchisor, or any of its affiliates, are prohibited by law from transacting business.

14.14 **Operation Upon Death or Disability.** If, upon Franchisee's death or disability or the death or disability of the owner of a controlling interest in Franchisee, the Business is not being managed by a trained manager, Franchisee or such owner's executor, administrator, conservator, guardian or other personal representative must within a reasonable time, not to exceed 15 days from the date of death or disability, appoint a manager to operate the Business. Such manager will be required to complete the Initial Training Program at Franchisee's expense. Pending the appointment of a manager as provided above or if, in Franchisor's judgment, the Business is not being managed properly any time after Franchisee's death or disability or after the death or disability of the owner of a controlling interest in Franchisee, Franchisor has the right, but not the

obligation, to appoint a manager for the Business. All funds from the operation of the Business during the management by Franchisor's appointed manager will be kept in a separate account, and all expenses of the Business, including compensation, other costs and travel and living expenses of Franchisee's manager, will be charged to this account. Franchisor also has the right to charge a reasonable management fee (in addition to any other fees or contributions payable under this Agreement) during the period that Franchisor's appointed manager manages the Business. Operation of the Business during any such period will be on Franchisee's behalf, provided that Franchisor only has a duty to utilize its best efforts and will not be liable to Franchisee or its owners for any debts, losses or obligations incurred by the Business or to any of Franchisee's creditors for any products, materials, supplies or services the Business during any period it is managed by Franchisor's appointed manager.

14.15 **Franchisor's Obligation to Assist in Sale or Transfer.** Franchisor may offer assistance in locating a buyer for your Business, and you may retain the services of a broker or agent to assist you. However, the sale of your Business is strictly your responsibility, not Franchisor's responsibility.

SECTION 15 – DEFAULT, TERMINATION AND NON-OPERATING STATUS

15.1 **Termination Upon Notice.** Franchisee will be deemed to be in default and Franchisor may, at its option, terminate this Agreement, without affording Franchisee any opportunity to cure the default, effective immediately on the provision of notice to Franchisee (as provided in Section 22 in this Agreement), on the occurrence of any of the following events of default:

15.1.1 If Franchisee or any Principal purports to transfer any rights or obligations under this Agreement or any interest to any third party in a manner that is contrary to the terms of Section 14 of this Agreement;

15.1.2 If, contrary to the terms of Sections 9 or 10 of this Agreement, Franchisee discloses or divulges the contents of the Manuals or other confidential information provided to Franchisee by Franchisor;

15.1.3 If Franchisee fails to comply with the covenants in Section 17.2 below or fails to timely obtain execution of the covenants required under Section 17.1 below;

15.1.4 If Franchisee misuses or makes any unauthorized use of the Marks or any other identifying characteristics of the System, or if Franchisee otherwise operates the Business in a manner that materially impairs the reputation or goodwill associated with the System, Marks, Products and Services, or the rights of Franchisor in those matters;

15.1.5 If Franchisee, after curing a default according to Section 15.1 of this Agreement, commits the same default again, whether or not cured after notice;

15.1.6 If Franchisee commits three (3) or more defaults under this Agreement in any twelve (12) month period, whether or not each such default has been cured after notice;

15.1.7 If Franchisee breaches any material provision of this Agreement which breach is not cured in a timely fashion as provided herein;

15.1.8 If Franchisee fails to obtain the required insurance within forty-eight (48) hours of notice as specified in Section 13.4 of this Agreement;

15.1.9 If Franchisee (or any of its owners) have made any material misrepresentation or omission in connection with Franchisee's purchase of the Franchise;

15.1.10 If Franchisee, Franchisee's owners, or Franchisee's G.M. fail to successfully complete initial or any other training to Franchisor's satisfaction;

15.1.11 If Franchisee surrenders or transfers control of the operation of the TapSnap™ Franchise or TapSnap™ kiosks without Franchisor's prior written consent;

15.1.12 If Franchisee (or any of Franchisee's owners) are or have been convicted by a trial court of, or plead or have pleaded no contest, or guilty, to, a felony or other serious crime or offense;

15.1.13 If Franchisee (or any of Franchisee's owners) make an unauthorized assignment of this Agreement or of an ownership interest in Franchisee or the TapSnap™ Business.

15.1.14 In the event of Franchisee's death or disability or the death or disability of the owner of a controlling interest in Franchisee, this Agreement or such owner's interest in Franchisee is not assigned as required under this Agreement;

15.1.15 If Franchisee (or any of Franchisee's owners) make any unauthorized use or disclosure of any Confidential Information or use, duplicate or disclose any portion of the Manuals in violation of this Agreement;

15.1.16 If Franchisee fails to pay when due any federal or state income, service, sales or other taxes due on the operations of the Business, unless Franchisee is in good faith contesting its liability for such taxes;

15.1.17 If Franchisee (or any of Franchisee's owners) fail on three (3) or more separate occasions within any period of twelve (12) consecutive Months or on five (5) occasions during the term of this Agreement to submit when due reports or other data, information or supporting records, to pay when due any amounts due to Franchisor or otherwise to comply with this Agreement, whether or not such failures to comply were corrected after written notice of such failure was delivered to Franchisee; and

15.1.18 If Franchisee makes an assignment for the benefit of creditors or admits in writing its insolvency or inability to pay its debts generally as they become due;

15.1.19 If franchisee consents to the appointment of a receiver, trustee or liquidator of all or the substantial part of its property; the TapSnap™(s) are attached, seized, subjected to a writ or distress warrant or levied upon, unless such attachment, seizure, writ, warrant or levy is vacated within thirty (30) days; or any order appointing a receiver, trustee or liquidator of Franchisee or the Business is not vacated within thirty (30) days following the entry of such order;

15.1.20 If Franchisee engages in any misconduct which unfavorably affects its reputation or any owner, any of Franchisee's TapSnap™ Businesses, Franchisor or the goodwill associated with the Marks (including, but not limited to, abuse, abuse of customers, use of employees who do not meet Franchisor's then-current standards and training requirements,

health or safety hazards, drug or alcohol problems, or permitting unlawful activities at any of Franchisee's TapSnap™ Businesses); or

15.1.21 If Franchisee has five (5) or more unresolved customer complaints with respect to any of its TapSnap™ Businesses in any twelve (12) month period.

15.1.22 Should Franchisee sell any TapSnap™ kiosks which are part of the System to a third party without complying with Section 14.6, Franchisee shall have committed a material default of this Agreement and shall pay to Franchisor a liquidated damage which is equal to one-half (1/2) of any sums received by Franchisee from such sale. Such payment shall be made to Franchisor within five (5) days of receipt of any payment from the sale of equipment in contravention to Franchisor's rights of first refusal, accompanied by documentation showing the sale price. Should Franchisee fail to make such payment as required under this paragraph, Franchisor shall also be entitled to recover its reasonable attorney's fees and expenses of litigation incurred in prosecuting an action to collect payment, including any costs of collection following obtaining a judgment.

15.2 **Notice and Opportunity to Cure - 30 Days.** Except as otherwise provided in Section 15.1 of this Agreement, on any other default by Franchisee, Franchisor may terminate this Agreement by giving written notice of termination (in the manner set forth under Section 22 in this Agreement) stating the nature of the default to Franchisee at least thirty (30) days before the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to the satisfaction of Franchisor, and by promptly providing proof of it to Franchisor within the thirty (30) day period. If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement will terminate without further notice to Franchisee, effective immediately on the expiration of the thirty (30) day period or such longer period as applicable law may require. Franchisor may also terminate this Agreement after Franchisor notifies Franchisee of Franchisor's intention to do so because of the occurrence of any of the following events and Franchisee's failure to cure it within thirty (30) days of Franchisor's notice:

- a) purchasing or leasing any product or service from an unapproved supplier;
- b) failure to participate in a Regional Advertising Co-operative;
- c) failure to pay taxes and assessments;
- d) failure to obtain and maintain required permits;
- e) if Franchisee is a Business Entity, failure to maintain active status in its state of organization;
- f) failure to promptly pay any amounts due to Franchisor or its suppliers;
- g) failure to timely make required reports;
- h) Franchisee violates any other provision of this Agreement;
- i) failure to maintain any standards or procedures contained in the Manuals;

- j) continued violation of any law, ordinance, rule or regulation of a governmental agency; or
- k) failure to obtain any approvals or consents required by this Agreement.

15.3 Non-Operating Status. Upon written approval by Franchisor, or for failure to have the Minimum Events, as described below in this Section, Franchisee may elect to place its franchise on a “non-operating” status if Franchisee is in good standing. The purpose of the non-operating status is to place the franchise completely out of business, not merely operating at a reduced level, and any business conducted by Franchisee while on non-operating status, without prior written approval by Franchisor, will constitute a violation of this Agreement. The non-operating status allows Franchisee to take a leave of absence from operating the TapSnap™ business for three (3) years. Under this status, this Agreement remains intact, but Franchisee does not retain any particular Market Area. At any time during the three (3) year period, Franchisee may elect to become an employee of another TapSnap™ franchise owner. While on non-operating status, Franchisee is not required to pay Software fees, or pay minimum Royalties, minimum Call Center Fees or to make minimum Branding Fund contributions.

If Franchisee elects “non-operating” status, Franchisee may return to its business at any time within the three (3) year period. If Franchisee does not return to the business by the end of the three (3) years, this Agreement will automatically be terminated without notification. Franchisor reserves the right to withdraw this non-operating status at any time at its sole discretion. While Franchisee is on “non-operating” status, this Agreement and the franchise may not be transferred, sold or inherited.

Franchisor may notify Franchisee that Franchisee’s Business is being placed on non-operating status if Franchisee has two consecutive calendar months with no paid or marketing events. To go from non-operating back to operating status, Franchisee must notify Franchisor in writing of its intent to do so, pay a \$750 Reinstatement Fee and deliver a written plan to Franchisor for successful marketing of the Business. Upon receipt of the marketing plan and Reinstatement Fee from Franchisee, Franchisor shall, in its sole discretion, determine whether the relevant Market Area requires an additional operating franchisee and either reinstate Franchisee to operating status or award Franchisee that status in a different Market Area as close to Franchisee as possible.

Franchisees who are in non-operating status may not market for new events but may service events at the request of Franchisor.

SECTION 16 - OBLIGATIONS ON TERMINATION OR EXPIRATION

Upon termination or expiration of this Agreement, all rights granted by this Agreement to Franchisee will terminate, and:

16.1 Stop Operating. Franchisee will immediately cease to operate the Business, and will not in any way represent to the public or hold itself out as a present or former operator of Franchisor in connection with the promotion or operation of any other business.

16.2 Stop Using the System. Franchisee will immediately and permanently cease to use, in any manner whatsoever, any confidential methods, procedures, and techniques

associated with the System, the Marks and distinctive forms, slogans, signs, symbols, and devices associated with the System. Franchisee will cease to use all signs, marketing materials, displays, stationery, products and any other articles which display the Marks.

16.3 **Cancel Assumed Names.** Franchisee will take such action as necessary to cancel any assumed name or equivalent registration obtained by Franchisee which contains the Mark "TapSnapTM" or any other Marks, and will furnish Franchisor with proof of compliance with this obligation within five (5) days after termination or expiration of this Agreement.

16.4 **Phone Numbers and Directory Listings.** Franchisee will cease use of all telephone numbers and any domain names, websites, e-mail addresses, and any other identifiers, whether or not authorized by Franchisor, used by Franchisee while operating the Business, and will promptly execute such documents or take such steps necessary to remove reference to the Business from all telephone directories, including "yellow" and "white" pages, or at Franchisor's request transfer same to Franchisor as specified in the Telephone Listing Agreement, attached hereto as Exhibit F. Franchisee by this agreement authorizes Franchisor to instruct issuers of any telephone and Internet domain name services, and other providers to transfer any such telephone numbers, domain names, websites, addresses, and any other identifiers to Franchisor on termination of this Agreement, without need for any further approval from Franchisee.

16.5 **No Use of Marks or Trade Dress in other Businesses.** Franchisee agrees not to use any reproduction, counterfeit, copy, or colorable imitation of the Marks, which, in the sole discretion of Franchisor, is likely to cause confusion, mistake, or deception, or which, in the sole discretion of Franchisor, is likely to dilute the rights of Franchisor in and to the Marks. Franchisee further agrees not to utilize any designation of origin, description, or representation (including but not limited to reference to Franchisor, the System, or the Marks) which, in the sole discretion of Franchisor, suggests or represents a present or former association or connection with Franchisor, the System, or the Marks.

16.6 **Return Manuals and Confidential Information.** Franchisee will, at its own expense, immediately deliver to Franchisor the Manuals and all other records, correspondence and instructions containing confidential information relating to the operation of the Business (and any copies), all of which are acknowledged to be property of Franchisor.

16.7 **Franchisor's Option to Purchase or Lease Certain Assets.** Franchisor will have the option, to be exercised within thirty (30) days after termination, to purchase from Franchisee any or all of the furnishings, equipment, signs, fixtures, vehicles, or inventory of Franchisee related to the operation of the Business, at the lesser of Franchisee's cost or fair market value. The cost for such items will be determined based on a five (5) year straight-line depreciation of original costs. For equipment that is five (5) or more years old, the parties agree that fair market value will be deemed to be ten percent (10%) of the equipment's original cost. Franchisor may, in exercising this option, or with respect to any other payment due to Franchisee under this Agreement, offset any sums due to Franchisor from Franchisee under this Agreement or otherwise. Franchisee agrees at Franchisor's election to assign Franchisee's lease interest in any customized or logoeed Vehicles to Franchisor or to enter into a sublease for the remainder of the lease term on the same terms (including renewal options) as the prime lease agreement.

SECTION 17 - COVENANTS

17.1 **Agreement to Execute Confidentiality and Non-compete Agreement.** At Franchisor's request, Franchisee will also require, as a condition to Franchisor entering into this Agreement that its Principals and G.M., manager and any personnel to execute the Confidentiality and Non-Compete Agreement. During the term of this Agreement, at Franchisor's request, Franchisee shall also require that any new Principals and G.M.s and personnel who received training with respect to Franchisor's system execute a Confidentiality and Non-Compete Agreement in connection with their employment by Franchisee with respect to the Business. Such covenants will be in a form satisfactory to Franchisor (the current form of which is included in Exhibit D to this Agreement and incorporated herein by this reference and in the Manuals).

17.2 **During the Agreement Term.** Franchisee specifically acknowledges that, according to this Agreement, Franchisee will receive valuable, specialized training and confidential information, including information regarding the operational, sales, promotional, and marketing methods and techniques of Franchisor and the System. Franchisee covenants that during the term of this Agreement, except as approved in writing by Franchisor, Franchisee, will not, either directly or indirectly, for itself, or in conjunction with any person or legal entity:

17.2.1 Divert or attempt to divert any present employee or present or prospective customer of any TapSnap™ franchisee with whom such Franchisee had material contact to any competitor, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System; or

17.2.2 Own, maintain, operate, engage in, be employed by, provide any assistance to, or have any more than a one percent (1%) interest in (as owner or otherwise) any Competitive Business (as defined below). A "Competitive Business" will be considered to be operation of a device similar to a TapSnap™ or a photo booth service business similar to that of Franchisor. Furthermore, Franchisee acknowledges and agrees that Franchisee will be considered in default under this Agreement and that this Agreement will be subject to termination as provided in Section 15.2 in this Agreement, if a person in the immediate family (including spouse, domestic partner, parent or child) of Franchisee (or, if Franchisee is other than an individual, each Principal that is subject to these covenants) engages in a Competitive Business that would violate this Section 17.2.2 if such person was subject to the covenants of this Section 17.2.2.

17.3 **After the Agreement and After a Transfer.** Franchisee covenants that, for a continuous uninterrupted period of two (2) years commencing on the date of: (a) a transfer permitted under Section 14 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); or (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to enforcement of this Section 17.3:

17.3.1 Franchisee will not either directly or indirectly, own, maintain, operate, engage in, provide assistance to, or have any interest in any Competitive Business which operates within the Market Area or within fifty (50) miles thereof, or actively solicits customers with whom Franchisee had material contact while operating the Business. However, this

provision will not apply to the operation by Franchisee of any business in the System under a franchise agreement with Franchisor.

17.3.2 Franchisee will not lease, assign, or sell Franchisee's interest in any ownership of the equipment or assets of the Business to a third party for the operation of a Competitive Business, or otherwise arrange or assist in arranging for the operation by a third party of a Competitive Business.

17.3.3 Franchisee will not solicit or hire any present employee of Franchisor or any other franchisee. "Present employee" means, for purposes of this subsection, a current employee or one who was in the employ of Franchisor or any other franchisee during the six (6) month period immediately before being hired by Franchisee.

17.4 **Covenants as Independent Clauses.** The parties agree that each of the foregoing covenants will be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 17 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an un-appealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 17.

17.5 **Franchisor's Right to Reduce Scope of the Covenants.** Franchisee understands and acknowledges that Franchisor will have the right, at its sole discretion, to reduce the scope of any covenant set forth in this Section 17, or any portion of it, without Franchisee's consent, effective immediately on receipt by Franchisee of written notice of same, and Franchisee agrees that it will comply forthwith with any covenant as so modified, which will be fully enforceable notwithstanding the terms of Section 23 in this Agreement.

17.6 **Covenants Survive Claims.** Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising from this Agreement, will not constitute a defense to the enforcement by Franchisor of the covenants in this Section 17; provided, however, any claims Franchisee may have against Franchisor may be brought in a separate proceeding. Franchisee agrees to pay all costs and reasonable attorneys' fees incurred by Franchisor in connection with the enforcement of this Section 17.

17.7 **Injunctive Relief.** Franchisee acknowledges that any failure to comply with the requirements of this Section 17 will cause Franchisor irreparable injury, and in addition to any other rights, remedies or damages available to Franchisor at law, Franchisor shall be entitled to a temporary restraining order, and/or preliminary or permanent injunction in order to prevent or to restrain any such breach by Franchisee, its officers, employees, agents and attorneys or by any of Franchisee's affiliates and such affiliates' officers, employees, agents and attorneys of this Section 17.

SECTION 18 - TAXES, PERMITS, AND INDEBTEDNESS

18.1 **Taxes.** Franchisee will promptly pay when due all taxes levied or assessed, and other indebtedness incurred by Franchisee in the operation of the Business. Franchisee will pay to Franchisor an amount equal to any sales tax, gross receipts or similar tax (other than income

tax) imposed on Franchisor with respect to any payments to Franchisor required under this Agreement, unless the tax is credited against income tax otherwise payable by Franchisor.

18.2 **Dispute About Taxes.** In the event of any bona fide dispute as to Franchisee's liability for taxes assessed or other indebtedness, Franchisee may contest the validity or the amount due in accordance with procedures of the taxing authority or applicable law, but in no event will Franchisee permit a tax sale or seizure by levy or execution or similar writ or warrant, or attachment by a creditor, to occur against the Business.

18.3 **Compliance with Laws.** Franchisee will comply with all applicable laws, rules, and regulations, and will timely obtain any and all permits, certificates, or licenses necessary for the conduct of the Business, including licenses to do business, fictitious name registrations, sales tax permits, and fire clearances.

SECTION 19 - INDEPENDENT CONTRACTOR AND INDEMNIFICATION

19.1 **No Fiduciary Relationship.** Franchisee is an independent contractor. Franchisor and Franchisee are separate entities and are not fiduciaries, partners, joint venturers, or agents of the other in any sense and neither will have the power to bind the other. No act or assistance given by either party to the other according to this Agreement will be construed to alter the relationship. Franchisee will be solely responsible for compliance with all applicable laws, rules and regulations, and for Franchisee's policies and decisions relating to the operation of the Business.

19.2 **Public Notice.** During the term of this Agreement, Franchisee will hold itself out to the public as an independent contractor operating the Business according to a franchise agreement from Franchisor. Franchisee agrees to take such action as may be necessary to do so, in the context of which Franchisor may specify.

19.3 **No Assumption of Liability.** Nothing in this Agreement authorizes Franchisee to make any contract, warranty, or representation on the behalf of Franchisor, or to incur any debt or other obligation in the name of Franchisor. Franchisor will not assume liability for, or be deemed liable by this Agreement as a result of, any such action or will Franchisor be liable by reason of any act or omission of Franchisee in its operation of Franchisee's business or for any claim or judgment arising therefrom against Franchisor.

19.4 **Indemnification By Franchisee.** Franchisee will indemnify and hold Franchisor, Franchisor's owners, board of directors, officers, employees, representatives and agents (the "Indemnitees") harmless against any and all causes of action, claims, losses, costs, expenses, liabilities, litigation, damages or other expenses (including settlement costs and attorneys' fees) arising directly or indirectly from, or in connection with the Franchisee's conduct under this Agreement (notwithstanding any claims that the Indemnitees were negligent).

Franchisee agrees that with respect to any threatened or actual litigation, proceeding or dispute which could directly or indirectly affect any of the Indemnitees, the Indemnitees will have the right, but not the obligation, in their discretion, to: (i) choose counsel, (ii) direct, manage or control the handling of the matter; and (iii) settle on behalf of the Indemnitees, or Franchisee, any claim against the Indemnitees. All vouchers, canceled checks, receipts, or other evidence of payments for any such losses, liabilities, costs, charges or expenses of

whatsoever nature incurred by any Indemnitee will be taken as prima facie evidence of Franchisee's obligation by this Agreement.

19.5 Indemnification By Franchisor. Franchisor will indemnify and hold Franchisee, Franchisee's owners, officers, employees, representatives and agents (the "Indemnitees") harmless against any and all causes of action, claims, losses, costs, expenses, liabilities, litigation, or other expenses (including, but not limited to, settlement costs and attorneys' fees) arising directly or indirectly from, or in connection with the use of the Marks in the operation of the Business where that use is in accordance with this Agreement and the Manuals. All vouchers, canceled checks, receipts, or other evidence of payments for any such losses, liabilities, costs, charges or expenses of whatsoever nature incurred by any Indemnitee will be taken as prima facie evidence of Franchisor's obligation by this Agreement. Any indemnification obligation of Franchisor is limited to the Initial Franchise Fees and Equipment Purchase fees paid by Franchisee to Franchisor.

SECTION 20 - APPROVALS AND WAIVERS

20.1 Approval Requests. Whenever this Agreement requires the prior authorization or approval of Franchisor, Franchisee will make a timely written request to Franchisor. Such approval or consent must be obtained in writing.

20.2 Waiver/Non-waiver. Any term or condition of this Agreement may be waived at any time by the party which is entitled to the benefit of the term or condition, but such waiver must be in writing. No failure of Franchisor to exercise any power reserved to it by this Agreement, or to insist on strict compliance by Franchisee with any obligation or condition by this Agreement, and no custom or practice of the parties in variance with the terms of this Agreement, will constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default by Franchisee will not be binding unless in writing and executed by the party sought to be charged and will not affect or impair Franchisor's right with respect to any subsequent default. Nor will any delay, waiver, forbearance, or omission of Franchisor to exercise any power or rights arising out of a breach or default by Franchisee of any of the terms, or covenant of this Agreement, affect or impair Franchisor's rights or will such constitute a waiver by Franchisor of any rights by this Agreement or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it by this Agreement will not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

SECTION 21 - WARRANTIES OF OPERATOR

21.1 Reliance by Franchisor. Franchisor entered into this Agreement in reliance on the statements and information submitted to Franchisor by Franchisee. Franchisee represents and warrants that all such statements and information submitted by Franchisee are certified true, correct and complete in all material respects. Franchisee agrees to promptly advise Franchisor of any material changes in the information submitted.

21.2 Compliance with Laws. Franchisee warrants to Franchisor that neither Franchisee (including, without limitation, any and all of its representatives), nor any of its affiliates or the funding sources for either is a person or entity designated with whom Franchisor, or any of its affiliates, are prohibited by law from transacting business.

21.3 **Anti-Terrorism Laws.**

(i) Franchisee agrees to comply with and/or to assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with Anti-Terrorism Laws. In connection with such compliance, Franchisee certifies, represents, and warrants that none of its property or interests is subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee is not otherwise in violation of any of the Anti-Terrorism Laws.

(ii) "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States ("Executive Order 13224"), the Terrorism Sanctions Regulation (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances regulations, policies, lists and any other requirements of any governmental authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control, and any other government agency with jurisdiction over the parties to this Agreement and/or their actions) addressing or in any way relating to terrorist acts and/or acts of war.

(iii) Franchisee certifies that Franchisee, Franchisee's employees, agents, bankers, affiliates or anyone associated with them is listed in the Annex to Executive Order 13224. Franchisee agrees not to hire (or, if already employed, retain the employment of) any individual who is listed in the Annex. (A copy of the Annex can be accessed on the internet at the following address: <http://www.treasury.gov/offices/enforcement/ofac/sanctions/terrorism.html>.)

(iv) Franchisee certifies that it has no knowledge or information that, if generally known, would result in (a) Franchisee, (b) Franchisee's owners, employees, agents, bankers or affiliates or (c) anyone associated with Franchisee to be listed in the Annex to Executive Order 13224.

(v) Franchisee is solely responsible for ascertaining what actions it must take to comply with the Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that Franchisee's indemnification responsibilities set forth in Section 19.4 of this Agreement pertain to Franchisee's obligations under this Section 21.3.

Any misrepresentation under this Section or any violation of the Anti-Terrorism Laws by Franchisee or Franchisee's owners, agents, bankers, employees and affiliates shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered with Franchisor or an affiliate of Franchisor, in accordance with Section 15.1 above

SECTION 22 - NOTICES

SECTION 23 - ENTIRE AGREEMENT

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor made in the franchise disclosure document furnished to Franchisee.

Franchisee acknowledges that it is entering into this Agreement as a result of its own independent investigation of the Business and not as a result of any representations about Franchisor made by its shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to Franchisee pursuant to applicable law.

SECTION 24 - SEVERABILITY AND CONSTRUCTION

24.1 **Severable Parts**. Except as expressly provided to the contrary in this Agreement, each portion, part, term, or provision of this Agreement will be considered severable. If for any reason, any part, term, or provision in this Agreement is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having jurisdiction, such will not impair the operation of nor have any other effect on, the other portions, parts, terms, or conditions of this Agreement as may remain otherwise intelligible, the latter will continue to be given full force and effect and bind the parties of this Agreement and all portions, parts, terms or conditions will be deemed not to be a part of this Agreement.

24.2 **Terms Surviving this Agreement**. Any provision or covenant in this Agreement which expressly or by its nature imposes obligations beyond the expiration, termination or assignment of this Agreement (regardless of cause for termination), shall survive such expiration, termination or assignment.

24.3 **No Rights on Third Parties**. Except as expressly provided to the contrary in this Agreement, nothing in this Agreement is intended, nor will be deemed, to confer on any person or entity other than Franchisee, Franchisor, officers, directors, shareholders, agents, and employees of Franchisor, and such successors and assigns of Franchisor as may be contemplated by Section 14 in this Agreement, any rights or remedies under this Agreement.

24.4 **Full Scope of Terms.** Franchisee expressly agrees to be bound by any covenant imposing the maximum duty permitted by law found under the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the terms of this Agreement any portions which a court or agency having jurisdiction may hold to be unreasonable and unenforceable in an un-appealed final decision to which Franchisor is a party, or from reducing the scope of any covenant to the extent required to comply with such a court or agency order.

24.5 **Franchisor's Application of its Rights.** Franchisor will have the right to operate and change the System in any manner that is not specifically precluded by this Agreement. Whenever Franchisor has reserved in this Agreement a right to take or withhold an action, deemed to have a right or discretion to take or withhold an action, or to grant or decline to grant Franchisee a right to take or omit an action, except as otherwise expressly and specifically provided in this Agreement, Franchisor may make its decision or exercise its rights on the basis of the information readily available to Franchisor, and its judgment of what is in its best interests or in the best interests of the franchise network, at the time its decision is made, without regard to whether: (i) other alternative decisions could have been made by Franchisor; (ii) the decision of Franchisor will promote its interest; (iii) Franchisor's action applies differently to Franchisee and any other franchisees; (iv) Franchisor's decision is adverse to Franchisee's interests. Franchisor will have no liability to Franchisee for any such decision or action, unless contrary to law. The parties intend that the exercise of Franchisor's discretion will not be subject to limitation or review. If applicable law implies a covenant of good faith and fair dealing in this Agreement, the parties agree that such covenant will not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants Franchisor the right to make decisions, take actions or refrain from taking actions not inconsistent with Franchisee's rights.

24.6 **Captions Only for Convenience.** All captions in this Agreement are intended solely for the convenience of the parties, and none will be deemed to affect the meaning or construction of any provision of this Agreement.

24.7 **Force Majeure.** Any delay in performance caused by circumstances beyond the control of the party affected including, but not limited to, acts of God, fire, terrorism, explosions, flood or war, shall be excused provided that the party uses its best efforts to mitigate the effects of those circumstances.

SECTION 25 - APPLICABLE LAW AND DISPUTE RESOLUTION

25.1 **Governing Law.** This Agreement takes effect on its acceptance and execution by Franchisor, and will be interpreted and construed under the laws of British Columbia. In the event of any conflict of law, the laws of British Columbia will prevail, without regard to, and without giving effect to, the application of British Columbia conflict of law rules. Nothing in this Section 25.1 is intended by the Parties to subject this Agreement to any franchise or similar British Columbia law or rule or of any other state to which it would not otherwise be subject. The Parties agree and consent to the jurisdiction of the Supreme Court of the Province of British Columbia, sitting in the City of Vancouver, British Columbia and waive jurisdiction and venue in any other court, except as provided in this Section 25. Franchisor may bring an action against Franchisee for injunctive or equitable enforcement of this Agreement or collection of sums due to Franchisor by Franchisee under this Agreement. Such action may be brought at Franchisor's

sole option, in British Columbia or the court of proper jurisdiction wherein Franchisee resides or maintains its principal place of business.

25.2 Non-Binding Settlement Meeting Except for Sections 9, 10, 11, 14, and 17, before any Party may bring an action in court or file arbitration against the other, the Parties must first meet to informally discuss the dispute (except as provided below). Any such discussion will be non-binding and will be conducted at Franchisor's headquarters office. Settlement discussions must take place in good faith for no less than 3 hours (unless the matter is resolved in less time) and occur within thirty (30) days of receipt of the notice from the Party wishing to hold the settlement conference specifying a demand for such a conference. All aspects of the settlement conference will be treated as confidential, will not be disclosed to others, and will not be admissible in any other proceeding or legal action.

25.3 Arbitration. The Parties agree that, except for disputes, or claims related to or based on improper use of the Marks, Confidential Information or the covenants in Section 17, all disputes, or claims between Franchisor and Franchisee and each of their respective shareholders, members, officers, agents, or employees, arising out of or related to: 1) this Agreement or any other agreement between the parties; 2) Franchisor's relationship with Franchisee; 3) the validity of this Agreement or any other agreement between the parties; and 4) any Systems Standard, must be submitted for binding arbitration, on demand of either party, to the Canadian Arbitration Association ("CAA"), Vancouver, BC office. The arbitration will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the CAA's then current commercial arbitration rules. All proceedings will be conducted at a location in the Vancouver, B.C. area chosen by the arbitrator. Judgment on the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his award any relief which he deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs. The Parties by this agreement waive to the fullest extent permitted by law any right to or claim of any punitive, exemplary or multiple damages against the other. The Parties agree to be bound by the terms of any limitation on the period of time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. The Parties further agree that in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim within the same proceeding as the claim to which it relates. Any claim which is not filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Party. The Parties agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between Franchisor and its shareholders, officers, agents or employees, and Franchisee and its guarantors, affiliates or employees may not be consolidated with any other arbitration proceeding between Franchisor and any other person. The terms of this Subsection are intended to benefit and bind certain third party non-signatories and will continue in full force subsequent to and notwithstanding this Agreement's expiration or termination.

25.4 Limitation of Damages. In any arbitration or legal proceeding, Franchisor's liability to Franchisee for damages shall be limited to recovery of any Equipment Purchase Fees and Initial Franchise Fees paid by Franchisee to Franchisor.

25.5 **No Rights Exclusive of Other Rights.** No right or remedy conferred on or reserved to Franchisor by this Agreement is intended to be, nor will be deemed, exclusive of any other right or remedy provided in this Agreement or permitted by law or equity, but each will be cumulative of every other right or remedy.

25.6 **Waiver of Jury Trial.** The Parties waive trial by jury in any action, proceeding or counterclaim, at law or in equity, brought by any of them against the other. Any and all claims and actions arising out of or relating to this Agreement, the relationship of the Parties, or Franchisee's operation of the Business, brought by a Party of this Agreement against the other, will be commenced within two (2) years from the occurrence of the facts giving rise to such claim or action, or such claim or action will be barred.

25.7 **Injunctive Relief.** Nothing contained in this Agreement will bar the right of Franchisor to obtain injunctive relief in a court of competent jurisdiction against threatened conduct that will cause it loss or damages, including violations of the terms of Sections 9, 10, 11, 14, and 17 under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

25.8 **Franchisor's Right to Sue for Monetary Damages.** Notwithstanding the above, Franchisor may sue Franchisee in court to recover any monetary sums due hereunder, including any claim for liquidated damages which may be allowed under this Agreement.

25.9 **Attorneys' Fees and Costs.** Franchisee agrees to reimburse Franchisor for all expenses Franchisor reasonably incurs (including attorneys' fees): (i) to enforce the terms of this Agreement or any obligation owed to Franchisor by Franchisee and/or its Owners; and (ii) in the defense of any claim Franchisee and/or its Owners assert against Franchisor on which Franchisor substantially prevails in court or other formal legal proceedings.

26.5 **Different Franchise Offerings to Others.** Franchisee acknowledges and agrees that Franchisor may modify the offer of its franchises to others in any manner and at any time, which offers have or may have terms and conditions that may differ from the terms and conditions in this Agreement.

26.6 **Success Depends on Franchisee.** Franchisee acknowledges that the success of the business venture contemplated under this Agreement is speculative and depends, largely on Franchisee's ability as an independent businessperson, his active participation in the daily affairs of the business, market conditions, area competition, quality of services provided as well as other factors. THIS NON-DISCLOSURE AND NON-COMPETITION AGREEMENT ("Agreement") is made this day of _____ 201____, by and between _____, a _____ ("Franchisee"), and _____, who is a Principal, member, partner, officer, executive or G.M. of Franchisee ("You").

Introduction

TapSnap Ventures, Inc. ("Franchisor") and its affiliates operate a business that provides digital photo booth services and associated products under Marks utilizing a format and system of sales and service. Franchisor and Franchisee have executed a Franchise Agreement ("**Franchise Agreement**") granting Franchisee the right to operate a TapSnap™ Franchise (the "**Business**") under the terms and conditions of the Franchise Agreement.

In connection with your ownership or position with Franchisee, you will be trained by Franchisor's personnel, you will learn of Franchisor's confidential information concerning the methods of operation of a Business and Franchisor's TapSnap™ Business.

Now, therefore, it is agreed that as a consideration your relationship with Franchisee and the rights granted to Franchisee under the Franchise Agreement, you agree that you will comply with all of the following obligations:

1. **Franchisor Franchise Confidential Information/Term.** You agree that you will not communicate Franchisor Confidential Information or Trade Secret Information to any Person, and that you will not use Franchisor Confidential Information or Trade Secret Information for your benefit or the benefit of any other Person. The rights and obligations contained in this Section 1 shall continue to bind you during the term of the Agreement and (i) with respect to all Franchisor Trade Secrets Information, at all times hereafter so long as such Trade Secrets constitute trade secrets under applicable law, and (ii) with respect to all Franchisor Confidential Information, for the period of three (3) years from the date of termination of the Agreement. This Agreement shall terminate upon your termination of employment with Franchisee, except that provisions that expressly survive termination of this Agreement shall survive for the period stated herein.

2. **Definitions.** As used in this Agreement, the following terms are agreed to have the following meanings:

a. The term "**Franchisor Confidential Information**" means any information, knowledge or know-how concerning the methods of operation of the Business and the TapSnap™ Business that you may learn of or that otherwise becomes known to you during the term of the Franchise Agreement or the time of your relationship with Franchisee that is non-public, proprietary and confidential (whether or not Franchisor or we have specifically designated that information as "confidential") in nature or tends to confer a competitive advantage over one who does not possess the information but is not a Trade Secret. Franchisor Confidential Information does not include information that (i) is or becomes public knowledge through no fault or omission

of you; (ii) is generally known in the trade or business through no fault or omission of you; or (iii) is independently developed by you without reference to Franchisor Confidential Information Trade Secrets Information.

b. The term "**Franchisor Trade Secret Information**" means Franchisor's trade secrets (as defined by British Columbia law) and includes information in whatever form, of Franchisor, from which Franchisor derives economic value, actual or potential, from not being generally known to other Persons, and is the subject of Franchisor's efforts that are reasonable under the circumstances to maintain its secrecy or confidentiality, such information including, but not limited to: know-how; information about existing, new or envisioned Franchisor products, services, processes and their development and performance; any scientific or technical information; computer software and firmware; business and financial information; unpublished lists of names; and information relating to manufacturing, purchasing, inventories, data processing, personnel, marketing, sales, prices and quotations; data; compilations; devices; methods; drawings; lists of actual or potential customers or suppliers, product specifications and designs and marketing plans.

c. The term "**Person**" means any person(s) or entity (other than Franchisor or Franchisee).

d. All capitalized terms not defined herein shall have the meaning given to such terms in the Franchise Agreement.

3. Covenants Not to Compete.

a. You agree that during the term of your employment with Franchisee and for a period of twenty-four (24) months thereafter, unless Franchisor gives you prior written approval, you will not, directly or indirectly, for yourself, or through, any Person:

- i. Attempt to or actually solicit, entice, divert or induce any Person who is, or was during the period of your employment a Customer or referral source of the Business or any other TapSnap™ Franchisee, for the purpose of recommending or suggesting to such Person that the business they do with the Business or any other TapSnap™ Franchisee be placed with any Person other than Business or applicable TapSnap™ Franchisee. The foregoing sentence only shall apply to (i) those customers or referral sources who were customers or referral sources of the Business or applicable TapSnap™ Franchisee during the period of your employment with the Business and with whom you had significant contacts and (ii) potential customers or referral sources of the Business or applicable TapSnap™ Franchisee with whom you had significant contacts during the period of your employment with the Business.
- ii. Do or perform, directly or indirectly, any act that might injure or be harmful to the goodwill associated with Franchisor and the TapSnap™ Business;
- iii. Employ or seek to employ anyone who is then employed by Franchisor or employed by any of Franchisor's franchisees, or to otherwise induce such individual to leave his employment unless such individual has

ceased to be employed by Franchisor or its franchisees for at least six (6) months;

b. After the Agreement and After a Transfer, you covenant that, for a continuous uninterrupted period of two (2) years commencing on the date of: (a) a transfer permitted under Section 14 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); or (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to enforcement of this Section.

- i. You will not either directly or indirectly, own, maintain, operate, engage in, provide assistance to, or have any interest in any Competitive Business which operates within the Market Area or within fifty (50) miles thereof, or actively solicits customers with whom You had material contact while operating the Business. However, this provision will not apply to the operation by You of any business in the System under a franchise agreement with Franchisor.
- ii. You will not lease, assign, or sell Franchisee's interest in any ownership of the equipment or assets of the Business to a third party for the operation of a Competitive Business, or otherwise arrange or assist in arranging for the operation by a third party of a Competitive Business.
- iii. You will not solicit or hire any present employee of Franchisor or any other franchisee. "Present employee" means, for purposes of this subsection, a current employee or one who was in the employ of Franchisor or any other franchisee during the six (6) month period immediately before being hired by Franchisee.

4. Legal and Equitable Remedies. You understand and agree that if you do not comply with the requirements of this Agreement, you will cause irreparable injury to Franchisor, and that:

a. Franchisor will have the right to enforce this Agreement by going to a court and obtaining an injunction or other equitable relief, without prejudice to any other remedies that we may have for breach of this Agreement;

b. You will not raise wrongful termination or other defenses to the enforcement of this Agreement (although you will have the right to raise those issues in a separate legal action); and

c. You must reimburse Franchisor for any court costs and reasonable attorney's fees that Franchisor incurs as a result of your violation of this Agreement and having to go to court to seek enforcement.

5. Severability. Each term of this Agreement may be considered severable from the others. If a court finds that Franchisor may not enforce a clause in this Agreement as written, but the court would allow Franchisor to enforce it in a way that is less burdensome to you, you agree to comply with the court's less-restrictive interpretation.

6. **Delay.** No delay or failure by Franchisor to exercise any right under this Agreement, and no exercise of that right, will constitute a waiver of that right or any other right. No waiver of any violation of this Agreement will be construed as a waiver of any succeeding violation.

7. **Third-Party Beneficiary.** You acknowledge and agree that Franchisor is an intended third-party beneficiary of this Agreement with the right to enforce it against you, independently or jointly with Franchisee.

8. **Entire Agreement.** This Agreement constitutes the entire agreement among the parties and supersedes all prior agreements and understandings, oral or written, among the parties with respect to the subject matter of this Agreement. This Agreement may be replaced by a later agreement between the parties containing confidentiality covenants substantially identical to those set forth herein and, upon the execution of the later agreement, this agreement will be deemed superseded thereby and void.

9. **Binding Effect; Assignment; Amendment and Waiver.** This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. Except as specifically provided herein, no person shall take any act which would allow any right hereunder to be assigned or held by any other person without the written consent of the other party hereto. No amendment, modification, waiver or termination of this Agreement shall be binding unless executed in writing by the party to be bound thereby. No waiver of any of the provisions of this Agreement shall constitute a waiver of any other provision of this Agreement, unless otherwise expressly provided.

10. **Counterparts; Headings.** This Agreement may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together constitute but one and the same Agreement and may be executed in counterpart signature pages executed via facsimile transmission, and any such counterpart executed and delivered via facsimile transmission shall be deemed an original. Headings are for reference purposes only.

11. **Applicable Law and Venue.** This Agreement shall be interpreted according to British Columbia law, without regard to the conflict of law principles thereof. The parties agree and consent to the jurisdiction of the Courts of Vancouver, British Columbia, in addition to any other court of competent jurisdiction.

**ADDITIONAL FDD DISCLOSURES
REQUIRED BY THE STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchisee on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchisee for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

EXHIBIT D
CONFIDENTIALITY AND NON-COMPETE AGREEMENT
FOR FRANCHISEE'S PRINCIPALS AND EXECUTIVES

THIS NON-DISCLOSURE AND NON-COMPETITION AGREEMENT ("Agreement") is made this day of _____, 201____, by and among TapSnap Ventures, Inc. ("Franchisor"), _____, a _____ ("Franchisee"), and if Franchisee is a corporate entity or partnership, who is a Principal, member, partner, officer, executive or General Manager of Franchisee ("you" or the "Member").

Introduction

Franchisor and its affiliates operate a business that provides digital photo booth services and associated products under Proprietary Marks utilizing a format and system of sales and service that produce customer satisfaction at an economical price.

Franchisor and Franchisee have executed a Franchise Agreement ("**Franchise Agreement**") granting Franchisee the right to operate a TapSnap™ Franchise (the "**Franchised Business**") under the terms and conditions of the Franchise Agreement.

In connection with your ownership and/or position with or as Franchisee, you will be trained by Franchisor's personnel, you will learn of Franchisor's confidential information and know-how concerning the methods of operation of a Franchised Business and Franchisor's TapSnap™ Business.

Now, therefore, it is agreed that as a consideration your relationship with Franchisee and the rights granted to Franchisee under the Franchise Agreement, you acknowledge and agree that you will comply with all of the following obligations:

1. **Franchisor Franchise Confidential Information/Term.** You agree that you will not communicate or divulge Franchisor Confidential Information or Franchisor Trade Secret Information to any Person, and that you will not use Franchisor Confidential Information or Franchisor Trade Secret Information for your own benefit or for the benefit of any other Person. The rights and obligations contained in this Section 1 shall continue to bind you during the term of the Agreement and (i) with respect to all Franchisor Trade Secrets Information, at all times hereafter so long as such Trade Secrets constitute trade secrets under applicable law, and (ii) with respect to all Franchisor Confidential Information, for the period of three (3) years from the date of termination of the Agreement. This Agreement shall terminate upon your termination of employment with Franchisee, except for all provisions that expressly survive termination of this Agreement shall survive for the period stated herein.

2. **Definitions.** As used in this Agreement, the following terms are agreed to have the following meanings:

a. The term "**Franchisor Confidential Information**" means any information, knowledge or know-how concerning the methods of operation of the Franchised Business and the TapSnap™ Franchise that you may learn of or that otherwise becomes known to you during the term of the Franchise Agreement or the time of your relationship with Franchisee that is non-public, proprietary and confidential (whether or not Franchisor or

we have specifically designated that information as "confidential") in nature or tends to confer a competitive advantage over one who does not possess the information but is not a Trade Secret. Franchisor Confidential Information does not include information that (i) is or becomes, before or after disclosure, public knowledge through no fault or omission of you; (ii) is generally known in the trade or business in which Franchisor operates through no fault or omission of you; or (iii) is independently developed by you without reference to Franchisor Confidential Information or Franchisor Trade Secrets Information.

b. The term "**Franchisor Trade Secret Information**" means Franchisor's trade secrets (as defined by British Columbia law) and includes information in whatever form, including electronic media, of Franchisor, from which Franchisor derives economic value, actual or potential, from not being generally known to other Persons, and is the subject of Franchisor's efforts that are reasonable under the circumstances to maintain its secrecy or confidentiality, such information including, but not limited to: know-how; information about existing, new or envisioned Franchisor products, services, processes and their development and performance; any scientific, engineering, or technical information; computer software and firmware; business and financial information; unpublished lists of names; and information relating to manufacturing, purchasing, inventories, data processing, personnel, marketing, sales, prices and pricing policies, costs and quotations; technical or nontechnical data; compilations; programs; devices; methods; techniques; drawings; reports; lists of actual or potential customers or suppliers, product or service specifications and designs and marketing plans.

c. The term "**Person**" means any person, persons, partnership, entity, association, or corporation (other than the Franchisor or Franchisee).

d. All capitalized terms not defined herein shall have the meaning given to such terms in the Franchise Agreement.

3. **Covenants Not to Compete.**

a. You covenant and agree that during the term of the Franchise Agreement (if Franchisee is an individual), or the term of your employment with Franchisee (if Franchisee is a corporate entity or partnership) and for a period of twenty-four (24) months thereafter, unless Franchisor gives you prior written approval, you will not, either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any Person:

- i. Solicit, entice, persuade, divert or induce (or attempt to do any of the foregoing) any Person who is, or was during the period of your employment a Customer or referral source of the Franchised Business or any other TapSnap™ Franchisee, for the purpose of recommending or suggesting to such Person that the business they do with the Franchised Business or any other TapSnap™ Franchisee be placed with any Person other than Franchised Business or applicable TapSnap™ Franchisee. Notwithstanding any provision herein to the contrary, the foregoing sentence only shall apply to (i) those customers or referral sources who were customers or referral sources of the Franchised Business or applicable TapSnap™ Franchisee during the period the Franchisee Agreement or of your employment with the Franchised Business

and with whom you had significant contacts and (ii) potential customers or referral sources of the Franchised Business or applicable TapSnap™ Franchisee with whom you had significant contacts during the period of your employment with the Franchised Business.

- ii. Do or perform, directly or indirectly, any act that might injure or be harmful to the goodwill associated with Franchisor and the TapSnap™ Business;
- iii. Employ or seek to employ any individual who is then employed by Franchisor or employed by any of Franchisor's franchisees, or to otherwise directly or indirectly induce any such individual to leave his or her employment unless such individual has ceased to be employed by Franchisor or its franchisees for at least six (6) months;

b. After the Agreement and After a Transfer, you covenant that, for a continuous uninterrupted period of two (2) years commencing on the date of: (a) a transfer permitted under Section 14 of this Agreement; (b) expiration of this Agreement; (c) termination of this Agreement (regardless of the cause for termination); or (d) a final order of a duly authorized arbitrator, panel of arbitrators, or a court of competent jurisdiction (after all appeals have been taken) with respect to any of the foregoing or with respect to enforcement of this Section.

- i. You will not either directly or indirectly, own, maintain, operate, engage in, provide assistance to, or have any interest in any Competitive Business which operates within the Market Area or within fifty (50) miles thereof, or actively solicits customers with whom You had material contact while operating the Business. However, this provision will not apply to the operation by You of any business in the System under a franchise agreement with Franchisor.
- ii. You will not lease, assign, or sell Franchisee's interest in any ownership of the equipment or assets of the Business to a third party for the operation of a Competitive Business, or otherwise arrange or assist in arranging for the operation by a third party of a Competitive Business.
- iii. You will not solicit or hire any present employee of Franchisor or any other franchisee. "Present employee" means, for purposes of this subsection, a current employee or one who was in the employ of Franchisor or any other franchisee during the six (6) month period immediately before being hired by Franchisee.

4. **Legal and Equitable Remedies.** You understand, acknowledge, and agree that if you do not comply with the requirements of this Agreement, you will cause irreparable injury to Franchisor, and that:

- a. Franchisor will have the right to enforce this Agreement and any of its

terms by going to a court and obtaining an injunction, specific performance, or other equitable relief, without prejudice to any other rights and remedies that we may have for breach of this Agreement;

b. You will not raise wrongful termination or other defenses to the enforcement of this Agreement (although you will have the right to raise those issues in a separate legal action); and

c. You must reimburse Franchisor for any court costs and reasonable attorney's fees that Franchisor incurs as a result of your violation of this Agreement and having to go to court to seek enforcement.

5. **Severability.** Each of the terms of this Agreement may be considered severable from the others. If a court should find that Franchisor may not enforce a clause in this Agreement as written, but the court would allow Franchisor to enforce that clause in a way that is less burdensome to you, then you agree that you will comply with the court's less-restrictive interpretation of that clause.

6. **Delay.** No delay or failure by Franchisor to exercise any right under this Agreement, and no partial or single exercise of that right, will constitute a waiver of that right or any other right set out in this Agreement. No waiver of any violation of any terms and conditions of this Agreement will be construed as a waiver of any succeeding violation of the same or any other provision of this Agreement.

7. **Third-Party Beneficiary.** You acknowledge and agree that Franchisor is an intended beneficiary of this Agreement with the right to enforce it against you, independently or jointly with Franchisee (if Franchisee is a corporate entity or partnership)..

8. **Entire Agreement.** This Agreement constitutes the entire agreement among the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings, oral and written, among the parties with respect to the subject matter of this Agreement. The parties agree that this Agreement may be replaced by a subsequent agreement between the parties containing confidentiality covenants substantially identical to those set forth herein and, upon the execution of such subsequent agreement, this agreement will be deemed automatically superseded thereby and will be of no further force and effect.

9. **Binding Effect; Assignment; Amendment and Waiver.** This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Except as otherwise specifically provided herein, no person shall take any act which would allow any right hereunder to be assigned or held by any other person without the written consent of the other party hereto. No amendment, supplement, modification, waiver or termination of this Agreement shall be binding unless executed in writing by the party to be bound thereby. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision of this Agreement, whether or not similar, unless otherwise expressly provided.

10. **Counterparts; Headings.** This Agreement may be executed in several counterparts, each of which shall be deemed an original, but such counterparts shall together constitute but one and the same Agreement. This Agreement may be executed and delivered in counterpart signature pages executed and delivered via facsimile

transmission, and any such counterpart executed and delivered via facsimile transmission shall be deemed an original for all intents and purposes. Headings used in this Agreement are for reference purposes only.

11. **Applicable Law and Venue.** This Agreement shall be construed and interpreted according to the laws of British Columbia, without regard to the conflict of law principles thereof. The parties agree and consent to the jurisdiction of the Courts of Vancouver, British Columbia in addition to any other court of competent jurisdiction.

12. **Judicial Interpretation.** Should any provision of this Agreement require judicial interpretation, the parties hereto agree that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party by reason of the rule of construction that a document is to be construed more strictly against the party which itself or through its agent prepared the same, it being agreed that the agents of each party have participated in the preparation hereof.

IN WITNESS WHEREOF, Member has read and understands the terms of this Agreement, and voluntarily signed this Agreement on this ___ day of _____, 201__.

INDEPENDENT AUDITORS' REPORT

To the Shareholder
TapSnap Ventures, Inc.

We have audited the accompanying financial statements of TapSnap Ventures, Inc., which comprise the balance sheets as of June 30, 2015 and 2014, and the related statements of comprehensive income, changes in shareholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TapSnap Ventures, Inc., as of June 30, 2015 and 2014, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

TAPSNAP VENTURES, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

NOTE 1. NATURE OF OPERATIONS

TapSnap Ventures, Inc. (the Company) is a franchisor offering a proprietary photo booth business opportunity internationally. The Company's head office is based in Vancouver, BC. The Company had 136 and 113 operating franchises in the United States at June 30, 2015 and 2014, respectively. The Company had 9 and 7 operating franchises in Canada at June 30, 2015 and 2014, respectively. The Company sold 23 franchises in the United States and 2 in Canada during the 2015 fiscal year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Foreign currencies – The functional currency of the Company's operations is the Canadian Dollar. The financial statements of the Company have been translated into U.S. Dollars. Assets and liabilities recorded in Canadian Dollars are translated at the exchange rate at the balance sheet date. Revenues and expenses are translated at average rates of exchange prevailing during the year. Translation adjustments resulting from this process are recorded as other comprehensive income (loss). Foreign currency translation adjustments resulted in losses of \$92,959 and \$16,715 for the years ended June 30, 2015 and 2014, respectively.

Foreign currency gains resulting from exchange rate fluctuations on transactions denominated in a currency other than the functional currency totaled \$330,392 and \$46,053 for the years ended June 30, 2015 and 2014, respectively.

Cash and cash equivalents – The Company considers all highly-liquid investments with original maturities not exceeding three months at the date of purchase to be cash equivalents. The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits.

Accounts receivable – Accounts receivable arise primarily from initial franchisee fees and equipment sales to franchisees. Receivables from franchisees are generally unsecured. Management considers all receivables to be fully collectible; therefore, no allowance for doubtful accounts has been provided for the years ended June 30, 2015 and 2014. The Company establishes the allowance, if any, based on a periodic review of the estimated collectability of the receivables. Accounts receivable are charged to bad debt expense when determined to be uncollectible.

Inventory – Inventory is valued at the lower of cost or net realizable value on a specific identification basis. Inventory consists of finished photo booth kiosks, parts for their assembly, apparel, and other promotional inventory.

Property and equipment – Property and equipment are carried at cost less accumulated depreciation. Furniture and equipment is depreciated over the expected useful lives of the individual assets using the declining balance method with a rate of 20%. Computer equipment is depreciated over the expected useful lives of the individual assets using the declining balance method with a rate of 55%. Property and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. If the total of the estimated undiscounted future cash flows is less than the carrying value of the asset, an impairment loss is recognized for the excess of the carrying value over the fair value of the asset during the year the impairment occurs. Improvements which increase the useful life of property and equipment are capitalized, while maintenance and repairs are expensed as incurred.

June 30, 2015 and 2014

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, (continued)

Website development – The Company accounts for website development costs in accordance with FASB ASC 350-50, *Website Development Costs*. Costs incurred to register domain names, integrate databases, and add additional functionality or features to the website are capitalized and amortized over the expected economic lives of the products using the declining balance method with a rate of 30%. Costs incurred in general maintenance of the website or hosting costs are expensed as incurred. Accumulated amortization as of June 30, 2015 and 2014, totaled \$17,089 and \$12,799, respectively.

Income taxes – The accounting for income taxes requires an asset and liability approach. Deferred income tax assets and liabilities are provided to recognize the expected future tax consequences of temporary difference between the bases of assets and liabilities for financial statement and tax purposes. Valuation allowances are established, when necessary, to reduce deferred tax assets, if any, to the amount expected to be realized.

Management evaluates its income tax positions on a regular basis and believes it has taken no significant uncertain tax positions that could result in additional taxes to the Company. The Company has not recognized any interest or penalties associated with uncertain tax positions. All income tax returns filed remain subject to examination by revenue agencies.

Revenue recognition – Royalty fees are based on fixed percentages of sales earned by the franchise locations. Fees are recorded as revenue as the fees are earned and become receivable from the franchisee. Initial franchise fee revenue is recognized when substantially all initial services required by the agreement have been performed, no material obligations or conditions remain, and collectability is reasonably assured. Revenues and expenses are recorded net of sales, use and similar taxes, as applicable.

Advertising and promotion – The Company expenses advertising and promotion costs as they are incurred. Advertising and promotion expense for the years ended June 30, 2015 and 2014, totaled \$422,506 and \$594,096, respectively.

Shipping and handling – Amounts billed to customers for shipping and handling are classified as revenue. The Company accounts for shipping and handling costs related to the shipment of products to customers as cost of sales.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates and assumptions in these financial statements require the exercise of judgement and include, but are not limited to, useful lives for depreciation and amortization and revenue recognition.

Reclassifications – Certain prior year amounts have been reclassified to conform with the current year presentation.

Subsequent events – Management has reviewed subsequent events through October 13, 2015, the date which the financial statements were available to be issued.

June 30, 2014 and 2013

Notes 1 Operations

TapSnap Ventures Inc. (the Company) is a franchisor offering a proprietary photo booth business opportunity internationally. The Company's head office is based in Vancouver, BC. The Company had 7 and 4 operating franchises in Canada at June 30, 2014 and 2013, respectively. The Company had 113 and 37 operating franchises in the United States at June 30, 2014 and 2013, respectively. Notes 2 Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Foreign Currencies

The functional currency of the Company's operations is the Canadian dollar. The financial statements of the Company have been translated into U.S. dollars. Assets and liabilities recorded in Canadian dollars are translated at the exchange rate at the balance sheet date. Revenues and expenses are translated at average rates of exchange prevailing during the year. Translation adjustments resulting from this process are recorded to other comprehensive income. Foreign currency translation adjustments resulted in losses of \$16,715 for the year ended June 30, 2014. Foreign currency translation adjustments resulted in gains of \$11,969 for the year ended June 30, 2013.

Foreign currency gains resulting from exchange rate fluctuations on transactions denominated in a currency other than the functional currency totaled \$46,053 and \$25,991 for the years ended June 30, 2014 and 2013, respectively.

Cash and Cash Equivalents

The Company considers all unrestricted highly-liquid investments with original maturities not exceeding three months at the date of purchase to be cash equivalents for the purposes of the statements of cash flows.

Accounts Receivable

Accounts receivable arise primarily from equipment sales to franchisees. Receivables from franchisees are generally unsecured. Management considers all receivables to be fully collectible, therefore no allowance for doubtful accounts has been provided for the years ended June 30, 2014 and 2013. The Company establishes the allowance based on a periodic review of the receivables.

Inventory

Inventory is valued at the lower of cost or net realizable value on a specific identification basis. Inventory consists of finished photo booth kiosks, parts for their assembly, apparel and other promotional inventory.

TAPSNAP VENTURES, INC.

NOTES TO FINANCIAL STATEMENTS
June 30, 2014 and 2013

Nota 2 Accounting Policies (continued)

Property and Equipment

Property and equipment are carried at cost less accumulated depreciation. Equipment and furniture is depreciated over the expected useful lives of the individual assets using the declining balance method with a rate of 20%. Computer equipment is depreciated over the expected useful lives of the individual assets using the declining balance method with a rate of 45%.

Website Development

The Company accounts for website development costs in accordance with FASB ASC 350-50, "Website Development Costs". Cost incurred to register domain names, integrate databases and add additional functionality or features to the website are capitalized and are amortized over the expected useful life using the declining balance method with a rate of 30%. Costs incurred in general maintenance of the website or hosting costs, are expensed as incurred. Accumulated amortization as of June 30, 2014 and 2013 was \$12,799 and \$4,814, respectively.

Income Taxes

The accounting for income taxes requires an asset and liability approach. Deferred income tax assets and liabilities are provided to recognize the expected future tax consequences of temporary difference between the basis of assets and liabilities for book and tax purposes. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized.

Management evaluates its income tax positions on a regular basis and believes it has taken no significant uncertain tax positions that could result in additional taxes to the Company. The Company has not recognized any interest or penalties associated with uncertain tax positions. All income tax returns filed remain subject to examination by revenue agencies.

Revenue Recognition

Royalty fees are based on a fixed percentage of sales earned by the franchise locations. Fees are recorded as revenue as the fees are earned and become receivable from the franchisee.

Initial franchise fee revenue is recognized when substantially all initial services required by the agreement have been performed, no material obligations or conditions remain, and collectability is reasonably assured.

Advertising and Promotion

The Company expenses advertising and promotion costs as they are incurred. Advertising and promotion expense for the years ended June 30, 2014 and 2013 was \$594,096 and \$375,510, respectively.

Shipping and Handling

Freight billed to customers is considered revenue and the related freight costs as a cost of goods sold.

See independent auditor's report.

TAPSNAP VENTURES, INC.

NOTES TO FINANCIAL STATEMENTS
June 30, 2014 and 2013

Note 2 Accounting Policies (continued)

Concentration of Risks

Credit risk

The Company's credit risk is primarily attributable to accounts receivable. The Company will be subject to the risks associated with changes in general and foreign economic conditions and with the change in credit and financial stability of the Company's customers.

The Company minimizes the risk of credit loss by evaluating each customer's financial viability and by limiting the amount of credit extended. Management believes that the credit risk associated with these financial instruments is not significant.

The Company had two major franchisees that accounted for 24% of the accounts receivable balance as of June 30, 2014. The Company had four major franchisees that accounted for 89% of the accounts receivable balance as of June 30, 2013.

Foreign currency risk

A significant portion of the Company's revenues occur in foreign currencies (US dollar) and the Company is therefore exposed to risk from currency fluctuations.

Legal Matters

The Company may be party to various legal claims, actions, and complaints in the normal course of business. The Company assesses potential liabilities and disclosures with these legal matters under FASB ASC 450. The Company accrues an estimated loss for these contingencies if both the following conditions are met: information available prior to the issuance of the financial statements indicate that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. The Company discloses contingencies where there is at least a reasonable possibility that a loss or additional loss in excess of amounts accrued may have occurred. The Company has determined that no contingencies exist as of the date of these financial statements that require accrual or disclosure. The Company expenses legal costs as incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported balances for assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates. Assumptions are based on a number of factors, including historical experience, current events and actions that the Company may undertake in future, and other assumptions believed reasonable under the circumstances. These estimates are periodically reviewed and, accordingly, adjustments made to these estimates are taken into income in the year in which it is determined. Assumptions for asset valuations are limited by the availability of reliable comparable data and uncertainty of predictions concerning the future. Estimated net realizable values may change by a material amount if the underlying assumptions change.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

See independent auditor's report.

TAPSNAP VENTURES, INC.

NOTES TO FINANCIAL STATEMENTS
June 30, 2014 and 2013

Note 2 Accounting Policies (continued)

Subsequent Events

Management has reviewed subsequent events through October 30, 2014, the date which the report was available to be issued.

Note 3 Restricted Cash

In compliance with the State of Maryland, the Company must hold initial franchise fees collected from franchisees located in Maryland in an escrow account. Funds in the escrow account will only be released upon completion by the franchisor of its pre-opening obligations to the franchisee. The balance of the escrow account was \$70,839 as of June 30, 2014.

Note 4 Franchising

The Company executes franchise agreements that set the terms of its arrangements with each franchisee. The franchise agreements require the franchisee to pay an initial, non-refundable fee of \$17,500 (USD). The franchise agreements also require the franchisee to pay continuing fees based upon a percentage of sales. Franchise fees are broken into three parts: royalty, call centre and branding. Subject to the company's approval and payment of a renewal fee, a franchisee may generally renew its agreement upon expiration. Initial franchise fees included in revenue totaled \$1,582,325 and \$490,000 for the years ended June 30, 2014 and 2013, respectively.

Note 5 Advances - Branding Fund

The Company has established a Branding fund for the purpose of increasing value to the brand through uniform advertising and promotion. Franchisees contribute a percentage of Event Fees to the fund. The company directs all programs financed by the Branding fund, with sole control over the creative concepts, materials and endorsements, and the geographic, market and media placement and allocation. The Company may spend, on behalf of the Branding fund, in any fiscal year an amount greater or less than the aggregate contribution of all franchisees to the Branding fund in that year. The Company advanced marketing costs for the years ended June 30 in excess of fees collected as follows:

Costs incurred related to the development of software to be licensed prior to technological feasibility are expensed. Once the Company concludes that technological feasibility is obtained, all subsequent development costs are capitalized and reported at the lower of unamortized cost or net realizable value. Amortization is computed on an individual product basis over the estimated economic life of the product using the declining balance method with a rate of 30%. Capitalized software development and other product development costs in the accompanying balance sheets as of June 30 were as follows:

The details of deferred tax liabilities (assets) for the Company are set forth below:

	<u>2014</u>	<u>2013</u>

Net deferred tax assets	-	<u>-</u>
Net deferred tax liabilities	<u>\$ 16,117</u>	<u>\$ -</u>

The tax provision differs from the expense that would result from applying statutory rates to income before income taxes because of items such as non-deductible meals and entertainment expenses, small business tax credits and benefits of loss operating carryforwards.

Note 12 Prior Period Adjustments

The Company has restated its previously issued financial statements for 2013 to primarily reflect the correction of errors related to the classification of gain resulting from the translation of its financial statements from the Company's functional currency to U.S. dollars. Accounting principles generally accepted in the United States of America require these foreign currency translation gains and losses be included in other comprehensive income (loss) and reported as a separate component of shareholder's equity. The Company included the translation adjustments in net loss and accumulated deficit in previously issued financial statements.

Accumulated deficit at July 1, 2013 has been adjusted for the error described above as well as immaterial errors related to the calculation of translation gains in the prior year. The cumulative effect of the adjustment decreases beginning accumulated deficit at July 1, 2013 by \$7,527. In addition, transaction gains were included in revenues in previously issued statements but have been reclassified to conform to current year presentation.

See independent auditor's report.
